

Training Support for State of Georgia Suppliers

If you are a current supplier or a prospective supplier to the State of Georgia, there are a number of monthly training events that you may attend in person or online.

Each month a Supplier Orientation is held to educate those who would like to do business with the State of Georgia. Dates and details are found on the Training for Suppliers webpage.

In addition, monthly Supplier Seminars are scheduled which provide in depth information about registering in Team Georgia Marketplace, our new procurement system, and doing business with the State of Georgia. Seminars are scheduled across the state to accommodate Georgia suppliers. To find out more about Team Georgia Marketplace, click on the link for Team Georgia Marketplace on the Supplier home page. When you are ready to respond to a bid in Team Georgia Marketplace, consider registering in the monthly Responding to a Bid Webinar. The schedule and registration will be located on Training for Suppliers.

As well as these training events, there are numerous Training Clips and Quick Reference Guides designed for suppliers which are located on the Training for Suppliers web page. If you have any questions about training, please contact our DOAS Help Desk at procurementhelp@doas.ga.gov.
