

The Department of Administrative Services welcomes you to our new Web site!

Here are a few of the features you can enjoy:

- Easier access to content organized by three communities of interest (state and local government, suppliers, and public and non-profits)
- Divisional “home pages” represented on the site
- Direct links from the home page to applications and tools, resulting in fewer “clicks” to get to what you need
- An enhanced search engine and navigational tools designed to help you access information faster
- Calendars, news and events targeted to communities of interest
- Up-front access to staff contacts and careers information
- A mobile link that allows viewing from personal digital assistants

Get familiar with the new site using our [Quick Reference Guide](#), which links you to key pages and outlines the site.

For immediate assistance, you can always contact our Help Desk at 404-657-6000, or send comments to procurementhelp@doas.ga.gov

We invite you to participate in our Web Re-Launch Scavenger Hunt...

Correct submissions will be entered into a drawing where first, we'll select a lucky winner from our agency or supplier public, followed by a winner from DOAS. Don't miss your chance to win a free DOAS t-shirt displaying our new logo. Act now—the Scavenger Hunt ends close of business Friday, April 3, 2009!
