

**Good Day State of Georgia,**

The emergence of COVID-19 across the world has had a significant, adverse impact on the everyday travel demand. With that said, The Hertz Corporation remains open during this critical time and working with our State partners to help with cost reductions.

Hertz will be extending a temporarily reduction to the daily rate to help our NASPO partners through these challenging times.

Through June 30<sup>th</sup>, 2020:

- Hertz will be **reducing** our contracted rates close to **40%**
- One-Way fees will be removed
- All existing benefits will remain in place

Hertz is also offering Delivery service on all rentals with advance notice.
