

Vendor Locator

Description

Highlights:

- Vendors within an area can be queried by name, type, profile and services.
- The vendor listing can also be viewed as an interactive map, which can be zoomed and moved, with numbered pins of the vendors. The listing can be exported to Excel.
- View the vendor's contact information, services, repair activity, as well as service reviews.

Access

Vendor Locator can be accessed via **Search** or **Vehicles / Maintenance** menus.

Search for one or more vendors using the fields: *Vendor*, *Vendor Type*, *Vendor Profile*, *Services*, and *Address*. *Radius* can be used when looking for all vendors within a 5 - 25 mile/km distance from the center. The *City* and *State/Province*, *ZIP/Postal Code*, or *Phone Number* are required in order to perform the vendor search.

Listing

The search results will populate on the **Vendor Listing**, in either a *List View* or *Map View*. Toggle view above the listing.

The *Map View* places numbered pin points on the map and lists the vendors along the right. Hover on the pins or scroll through the list to view the vendor name and address. Click Details to view more information about the vendor.
