DEFINITIONS

Terms when capitalized in your certificate of coverage booklet have defined meanings, given in the section below or throughout the booklet sections.

Annual Enrollment Period -- the established timeframe of the year during which employees may change coverage for the next Contract Year.

Approved Amount -- the maximum amount a Dentist may charge for a Single Procedure.

Benefits (In-Network or Out-of-Network) -- the amounts that Delta Dental will pay for dental services under the Contract. In-Network Benefits are those covered by the Contract and performed by a Delta Dental PPO Dentist. Out-of-Network Benefits are those covered by the Contract but performed by a Delta Dental Premier[®] Dentist or Non-Delta Dental Dentist.

Claim Form -- the standard form used to file a claim or request Pre-Treatment Estimate for treatment.

Contract -- the written agreement under which Benefits are provided.

Contract Allowance -- the maximum amount Delta Dental will use for calculating the Benefits for a Single Procedure. The Contract Allowance for services provided:

- by Delta Dental PPO Dentists is the lesser of the Dentist's submitted fee, the Delta Dental PPO Dentist's Fee or the Dentist's filed fee with Delta Dental in the Participating Dentist Agreement.
- by Delta Dental Premier Dentists (who are not Delta Dental PPO Dentists) is the lesser of the Dentist's submitted fee, the Dentist's filed fee with Delta Dental in the Participating Dentist Agreement or the Maximum Plan Allowance; or
- by Non-Delta Dental Dentists is the lesser of the Dentist's submitted fee or the Maximum Plan Allowance.

Contractholder -- the employer, union or other organization or group contracting to obtain Benefits.

Delta Dental PPO Dentist (PPO Dentist) -- a participating Delta Dental Dentist who agrees to accept Delta Dental's PPO fees as payment in full and comply with Delta Dental's administrative guidelines. All PPO Dentists are also Premier Dentists. All PPO Dentists must be contracted in the Premier network.

Delta Dental PPO Dentist's Fee (PPO Dentist's Fee) -- the fee for each Single Procedure that PPO Dentists have contractually agreed to accept as payment in full for treating PPO Enrollees.

Delta Dental Premier[®] Dentist (Premier Dentist) -- a Dentist who contracts with Delta Dental or any other member company of the Delta Dental Plans Association and who agrees to abide by certain administrative guidelines. Not all Premier Dentists are PPO Dentists; however, all Premier Dentists agree to accept Delta Dental's Maximum Plan Allowance for each Single Procedure as payment in full.

Dentist -- a person licensed to practice dentistry when and where services are performed.

Dependent Enrollee -- a dependent (including a surviving spouse & surviving dependent children) of a Primary Enrollee who is eligible for Benefits under the Contract.

Effective Date -- the date the program starts. This date is given on the booklet cover.

Enrollee -- a Primary Enrollee or Dependent Enrollee enrolled to receive Benefits.

Maximum Plan Allowance (MPA) -- the maximum amount Delta Dental will reimburse for a covered procedure. Delta Dental establishes the MPA for each procedure through a review of proprietary filed fee data and actual submitted claims. MPAs are set annually to reflect charges based on actual submitted claims from providers in the same geographical area with similar professional standing. The MPA may vary by the type of network Dentist.

Non-Delta Dental Dentist -- a Dentist who is neither a Premier nor PPO Dentist and who is not contractually bound to abide by Delta Dental's administrative guidelines.

Participating Dentist Agreement -- an agreement between a member of the Delta Dental Plans Association and a Dentist that establishes the terms and conditions under which services are provided.

Participating PPO Dentist Agreement (PPO Dentist Agreement) -- an agreement between a member of the Delta Dental Plans Association and a Dentist which establishes the terms and conditions under which covered services are provided under a PPO program.

Pre-Treatment Estimate -- an estimation of the allowable Benefits under the Contract for the services proposed, assuming the person is an eligible Enrollee.

Primary Enrollee -- any employee or retiree eligible for Benefits under the Contract.

Procedure Code -- the Current Dental Terminology (CDT) number assigned to a Single Procedure by the American Dental Association.

Qualifying Status Change -- a change in:

- legal marital status (marriage, divorce, annulment or death);
- number of dependents (a child's birth, adoption of a child, placement of child for adoption, addition of a step or foster child or death of a child);
- employment status (change in employment status of Enrollee, spouse or dependent child);
- dependent child ceases to satisfy eligibility requirements;
- residence (Enrollee, dependent spouse or child moves);
- a court order requiring dependent coverage; or
- any other current or future election changes permitted by IRC Section 125.

Single Procedure -- a dental procedure that is assigned a separate CDT number.

CHOICE OF DENTIST

Enrollees may choose a Dentist from Delta Dental's panel of PPO Dentists and Premier Dentists, or Enrollees may choose a Non-Delta Dental Dentist. A list of Delta Dental Dentists can be obtained by accessing the Delta Dental National Dentist Directory at deltadentalins.com. Enrollees are responsible for verifying whether the selected Dentist is a PPO Dentist or a Premier Dentist. Dentists are regularly added to the panel. Additionally, Enrollees should always confirm with the Dentist's office that a listed Dentist is still a participating PPO Dentist or Premier Dentist.

PPO Dentist

The PPO program potentially allows the greatest reduction in Enrollees' out-of-pocket expenses, since this select group of Dentists will provide dental Benefits at a charge which has been contractually agreed upon between Delta Dental and the PPO Dentist.

Premier Dentist

The Premier Dentist, which include specialists (endodontists, periodontists or oral surgeons), has not agreed to the features of the PPO program; however, you may still receive dental care at a lower cost than if you use a Non-Delta Dental Dentist.

Non-Delta Dental Dentist

If a Dentist is a Non-Delta Dental Dentist, the amount charged to Enrollees may be above that accepted by the PPO or Premier Dentists. Non-Delta Dental Dentists can balance bill for the difference between the MPA and the Non-Delta Dental Dentist's Approved Amount. For a Non-Delta Dental Dentist, the Approved Amount is the Dentist's submitted charge.

Additional advantages of using a PPO Dentist or Premier Dentist

- The PPO Dentist and Premier Dentist must accept assignment of Benefits, meaning PPO Dentists and Premier Dentists will be paid directly by Delta Dental after satisfaction of the deductible and coinsurance, and the Enrollee does not have to pay all the dental charges while at the dental office and then submit the claim for reimbursement.
- The PPO Dentist and Premier Dentist will complete the dental Claim Form and submit it to Delta Dental for reimbursement.

WHO IS ELIGIBLE?

Eligibility for Enrollment

The Primary Enrollee is eligible to participate in this plan if:

- You are a full-time regular employee who works at least 30 hours a week and are expected to work for at least nine months. Employees who work in a sheltered workshop or work transition program, contingent employees, temporary employees, and student employees are not eligible.
- You are a public schoolteacher, working at least 17.5 hours, and employed in a professionally certified capacity, working half time or more and not considered a “temporary” or “emergency” employee.
- You are an employee of a local school system holding a non-certificated position. You must be eligible to participate in the Teacher’s Retirement System (TRS) or its local equivalent, and you must work a minimum of 20 hours a week (or 60% of the time necessary to carry out the duties of the position, if that’s more than 20 hours).
- You are an employee of a local school system working at least 15 hours (or 60% of the time necessary to carry out the duties of your position, if that’s more than 15 hours) and you are eligible to participate in the Public School Employees’ Retirement System (PSERS), as defined by Paragraph 20 of Section 47-4-2 of the Georgia Code.
- You are an employee of a county or regional library and work at least 17.5 hours per week.
- Others deemed eligible by Federal or Georgia law.

If your dependents are covered, they will be eligible when you are or as soon as they become dependents. Dependents are your:

- Lawful spouse;
- Children from birth to the end of the month of their 26th birthday. “Children” includes natural children, step-children, adopted children, and foster children. Newborn infants are eligible from the moment of birth. Adopted children are eligible from the date of placement for adoption or final decree of adoption, whichever occurs first.
- A child 26 years or older may continue to be eligible as a dependent if the child is not self-supporting because of mental incapacity or physical handicap that began before age 26 and the child is mostly dependent on the Primary Enrollee for support and maintenance. Proof of these facts must be given to Delta Dental or Contractholder within 31 days if it is requested. Proof will not be required more than once a year after the child is 28.

Dependents in military service are not eligible.

Enrollment Requirements

If you are paying all or a portion of premiums for yourself or your dependents then:

- You must enroll within 30 days after the date you become eligible or during an Annual Enrollment Period.
- All dependents must be enrolled within 30 days after they become eligible or during an Annual Enrollment Period.
- If you elect dependent coverage, you must enroll all of your Dependent Enrollees for coverage.
- You must pay Premiums in the manner elected by the Contractholder and approved by Delta Dental. Coverage cannot be dropped or changed other than during an Annual Enrollment Period or because of a Qualifying Status Change.
- If you pay Premiums for Dependent Enrollees in the manner elected by the Contractholder and approved by Delta Dental until your dependents are no longer eligible or until you choose to drop dependent coverage, coverage may not be changed at any time other than during an Annual Enrollment Period or if there is a Qualifying Status Change.
- A child who is eligible as a Primary Enrollee and a dependent can be insured under the Contract as a Primary Enrollee or as a Dependent Enrollee but not both at the same time.

Loss of Eligibility

Your coverage ends on the last day of the month for which premiums have been deducted by the Contractholder or immediately when this program ends. Your dependents’ coverage ends when your coverage ends or on the date when dependent status is lost.

Continuation of Benefits

Delta Dental will not pay for Benefits for any services received after your coverage ends. However, Delta Dental will pay for a Single Procedure incurred when the person was covered if such procedure is completed within 31 days of the date coverage ends. A dental service is incurred as follows:

- for an appliance (or change to an appliance), at the time the impression is made;
- for a crown, bridge or cast restoration, at the time the tooth or teeth are prepared;
- for root canal therapy, at the time the pulp chamber is opened; and
- for all other dental services, at the time the service is performed or the supply furnished.

Strike, Lay-off and Leave of Absence

You and your dependents will not be covered for any dental services received while you are on strike or lay-off, other than as required under the Family & Medical Leave Act of 1993*.

If you are absent from work and are on an approved leave of absence, your dental coverage may be continued through the 12 calendar months after you cease work as long as you continue to pay premium payments.

Benefits for you and your Dependent Enrollees will resume as follows:

- if coverage is reactivated in the same Calendar Year, deductibles and maximums will resume as if you were never gone; or
- if coverage is reactivated in a different Calendar Year, new deductibles and maximums will apply.

Coverage will resume the first day of the month after you return to work.

*You and your dependents' coverage is not affected if you take a leave of absence allowed under the Family & Medical Leave Act of 1993. If you are currently paying any part of your premium, you may choose to continue coverage. If you do not continue coverage during the leave, you can resume that coverage on your return to active work as if no interruption occurred.

Important: The Family & Medical Leave Act does not apply to all companies, only those that meet certain size guidelines. See your Human Resources Department for complete information.

If you are rehired within the same Calendar Year, deductibles and maximums will resume as if you were never gone.

Continued Coverage Under USERRA

As required under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), if you are covered by the Contract on the date your USERRA leave of absence begins, you may continue dental coverage for yourself and any covered dependents. Continuation of coverage under USERRA may not extend beyond the earlier of: 24 months beginning on the date the leave of absence begins or the date you fail to return to work within the time required by USERRA. For USERRA leave that extends beyond 31 days, the premium for continuation of coverage will be the same as for COBRA coverage.

Continuation of Coverage Under (COBRA)

COBRA (the Consolidated Omnibus Budget Reconciliation Act of 1985) provides a way for employees and their Dependent Enrollees who lose employer-sponsored group health plan coverage to continue coverage for a period of time. COBRA does not apply to all companies, only those that meet certain size guidelines. See your Human Resources Department for complete information.

DEDUCTIBLE

Your dental plan features a deductible. This is an amount you must pay out-of-pocket before Benefits are paid. The deductible amounts are listed on the Group Highlights page.

Only the Dentist's fees you pay for covered Benefits will count toward the deductible, but you do not have to pay a deductible for Diagnostic and Preventive Benefits or Orthodontic Benefits.

MAXIMUM AMOUNT

The Maximum Amount payable is shown on the Group Highlights page. There may be maximums on a yearly basis, a per services basis, or a lifetime basis.

BENEFITS, LIMITATIONS & EXCLUSIONS

Delta Dental will pay the Benefits for the types of dental services as described below. Delta Dental will pay Benefits only for covered services. These services must be provided by a Dentist and must be necessary and customary under generally accepted dental practice standards. Delta Dental may use dental consultants to review treatment plans, diagnostic materials and/or prescribed treatments to determine generally accepted dental practices. If you receive dental services from a Dentist outside the state of Georgia, the Dentist will be reimbursed according to Delta Dental's network payment provisions for said state according to the terms of this Contract. PPO, Premier and Non-Delta Dental Dentists will be reimbursed at least the same amount.

If a primary dental procedure includes component procedures that are performed at the same time as the primary procedure, the component procedures are considered to be part of the primary procedure for purposes of determining the benefit payable under the Contract. Even if the Dentist bills separately for the primary procedure and each of its component parts, the total benefit payable for all related charges will be limited to the maximum benefit payable for the primary procedure.

Enrollee Coinsurance

Delta Dental's provision of Benefits is limited to the applicable percentage of Dentist's fees shown on the Group Highlights page. You are responsible for paying the remaining applicable percentage of any such fees, known as the "Enrollee Coinsurance". Your group has chosen to require Enrollee Coinsurances under this program as a method of sharing the costs of providing dental Benefits between Contractholder and Enrollees.

If the Dentist discounts, waives or rebates any portion of the Enrollee Coinsurance to the Enrollee, Delta Dental will be obligated to provide as Benefits only the applicable percentages of the Dentist's fees reduced by the amount of such fees that is discounted, waived or rebated.

COORDINATION OF BENEFITS

Delta Dental matches the Benefits under this program with your Benefits under any other group prepaid program or Benefit plan including another Delta Dental plan. (This does not apply to a blanket school accident policy). Benefits under one of the programs may be reduced so that your combined coverage does not exceed the Dentist's fees for the covered services. If this is the "primary" program, Delta Dental will not reduce Benefits, but if the other program is the primary one, Delta Dental will reduce Benefits otherwise payable under this program. The reduction will be the amount paid for or provided under the terms of the primary program for services covered under the Contract (see Benefits and Limitations).

- How does Delta Dental determine which Plan is the "primary" program?
 - (1) If the other Plan is not primarily a dental plan, this Plan is primary.
 - (2) If the other Plan is a dental program, the following rules are applied:
 - a) the Plan covering the Enrollee as an employee is primary over a Plan covering the Enrollee as a dependent.
 - b) the Plan covering the Enrollee as an employee is primary over a Plan which covers the insured person as a dependent; except that: if the insured person is also a Medicare beneficiary, and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:
 - i) secondary to the Plan covering the insured person as a dependent and
 - ii) primary to the Plan covering the insured person as other than a dependent (e.g. a retired employee), then the benefits of the Plan covering the insured person as a dependent are determined before those of the Plan covering that insured person as other than a dependent.
 - (3) Except as stated below, when this Plan and another Plan cover the same child as a dependent of different persons, called parents:
 - a) The benefits of the Plan of the parent whose birthday falls earlier in a year are determined before those of the Plan of the parent whose birthday falls later in that year, but
 - b) If both parents have the same birthday, the benefits of the Plan which covered one parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.
 - c) However, if the other Plan does not have the birthday rule described above, but instead has a rule based on the gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.
 - d) In the case of a dependent child of legally separated or divorced parents, the Plan covering the Enrollee as a dependent of the parent with legal custody, or as a dependent of the custodial parent's spouse (i.e. step-parent) will be primary over the Plan covering the Enrollee as a dependent of the parent without legal custody. If there is a court decree which would otherwise establish financial responsibility for the health care expenses with respect to the child, the benefits of a Plan which covers the child as a dependent of the parent with such financial responsibility will be determined before the benefits of any other policy which covers the child as a dependent child.

If the specific terms of a court decree state that the parents will share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the Plans covering the child will follow the order of benefit determination rules outlined in (3) a) through (3) c).
 - (4) The benefits of a Plan which covers an insured person as an employee who is neither laid off nor retired are determined before those of a Plan which covers that insured person as a laid off or retired employee. The same would hold true if an insured person is a dependent of a person covered as a retiree and an employee. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule is ignored.
 - (5) If an insured person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another Plan, the following will be the order of benefit determination:
 - a) First, the benefits of a Plan covering the insured person as an employee or Primary Enrollee (or as that insured person's dependent);
 - b) Second, the benefits under the continuation coverage.

If the other Plan does not have the rule described above, and if, as a result, the Plans do not agree on the order of benefits, this rule is ignored.

- (6) If none of the above rules determine the order of benefits, the benefits of the plan which covered an employee longer are determined before those of the Plan which covered that insured person for the shorter term.

PRE-TREATMENT ESTIMATE

A Dentist may file a Claim Form before treatment, showing the services to be provided to an Enrollee. Delta Dental will predetermine the amount of Benefits payable under the Contract for the listed services. Benefits will be processed according to the terms of the Contract when the treatment is performed. Pre-Treatment Estimates are valid for 60 days, or until an earlier occurrence of any one of the following events:

- the date the Contract terminates;
- the date the Enrollee's coverage ends; or
- the date the PPO Dentist's or Premier Dentist's agreement with Delta Dental ends.

CLAIMS APPEAL

Delta Dental will notify the Primary Enrollee if Benefits are denied for services submitted on a Claim Form, in whole or in part, stating the reason(s) for denial. The Enrollee has 180 days after receiving a notice of denial to appeal it by writing to Delta Dental giving reasons why the denial was wrong. The Enrollee may also ask Delta Dental to examine any additional information he/she includes that may support his/her appeal.

Delta Dental will make a full and fair review within 60 days after Delta Dental receives the request for appeal. Delta Dental may ask for more documents if needed. In no event will the decision take longer than 60 days. The review will take into account all comments, documents, records or other information, regardless of whether such information was submitted or considered initially. If the review is of a denial based in whole or in part on lack of dental necessity, experimental treatment or clinical judgment in applying the terms of the Contract, Delta Dental shall consult with a Dentist who has appropriate training and experience. The review will be conducted for Delta Dental by a person who is neither the individual who made the claim denial that is subject to the review, nor the subordinate of such individual. The identity of such dental consultant is available upon request whether or not the advice was relied upon.

If the Enrollee believes he/she needs further review of said claim, he/she may contact his/her state insurance regulatory agency if applicable or bring a civil action under section 502(a) of the Employee Retirement Income Security Act of 1974 (ERISA) if the Contract is subject to ERISA.

CANCELLATION OF CONTRACT

Delta Dental may cancel the Contract only:

- on an anniversary of the Effective Date upon 270 days written notice; or
- if your employer does not pay the monthly premiums upon 31 days written notice; or
- if your employer does not provide a list of who is eligible.

PROVISIONS REQUIRED BY LAW

Clinical Examination

Before approving a claim, Delta Dental will be entitled to receive, to such extent as may be lawful, from any attending or examining Dentist, or from hospitals in which a Dentist's care is provided, such information and records relating to attendance to or examination of, or treatment provided to, an Enrollee as may be required to administer the claim, or that an Enrollee be examined by a dental consultant retained by Delta Dental, at its expense, in or near his community or residence. Delta Dental will in every case hold such information and records confidential.

Notice of Claim Forms

Delta Dental will give any Dentist or Enrollee, on request, a standard Claim Form to make claim for Benefits. To make a claim, the form must be completed and signed by the Dentist who performed the services and by the Enrollee (or the parent or guardian if the Enrollee is a minor) and submitted to Delta Dental.

If the form is not furnished by Delta Dental within 10 days after requested by a Dentist or Enrollee, the requirements for proof of loss set forth in the next paragraph will be deemed to have been complied with upon the submission to Delta Dental, within the time established in said paragraph for filing proofs of loss, of written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Written Notice of Claim/Proof of Loss

Delta Dental must be given written proof of loss within 12 months after the date of the loss. If it is not reasonably possible to give written proof in the time required, the claim will not be reduced or denied solely for this reason, provided proof is filed as soon as reasonably possible. In any event, proof of loss must be given no later than one year from such time (unless the claimant was legally incapacitated).

All written proof of loss must be given to Delta Dental within 12 months of the termination of the Contract.

Time of Payment

Indemnities payable under the Contract for any loss other than loss for which the Contract provides any periodic payment will be processed:

- within 15 working days after receipt of due written proof of such loss. If additional information is requested to process the claim, Delta Dental will notify the Primary Enrollee and the Dentist within 15 working days of written proof of loss. Any undisputed portion of the claim will be processed within the 15 working days; and
- within 15 working days after the requested information is received for any disputed portion of the claim.

Claims not processed as stated above are subject to a charge of 18 percent interest per annum. Subject to due written proof of loss, all accrued indemnities for loss for which the Contract provides periodic payment will be paid monthly and any balance remaining upon the termination of liability will be paid immediately upon receipt of due written proof.

To Whom Benefits are Paid

PPO Dentists and Premier Dentists will be paid directly. Any other payments provided by the Contract will be made to the Primary Enrollee, unless the Enrollee requests when filing a proof of loss claim that the payment be made directly to the Dentist providing the services. All Benefits not paid to the Dentist will be payable to the Enrollee, or to his estate, except that if the person is a minor or otherwise not competent to give a valid release, Benefits may be payable to the parent, guardian or other person actually supporting him.

Misstatements on Application; Effect

In the absence of fraud or intentional misrepresentation of material fact in applying for or procuring coverage under the Contract, all statements made by you or the Contractholder will be deemed representations and not warranties. No such statement will be used in defense to a claim under the Contract, unless it is contained in a written application.

Any misrepresentation, omission, concealment of fact or incorrect statement which is material to the acceptance of risk may prevent recovery if, had the true facts been known to Delta Dental, Delta Dental would not in good faith have issued the contract at the same premium rate. If any misstatement would materially affect the rates, Delta Dental reserves the right to adjust the premium to reflect your actual circumstances at enrollment.

Legal Actions

No action at law or in equity will be brought to recover on the Contract prior to expiration of 60 days after proof of loss has been filed in accordance with requirements of the Contract, nor will an action be brought at all unless brought within three (3) years from expiration of the time within which proof of loss is required by the Contract.

THIS CERTIFICATE OF COVERAGE CONSTITUTES ONLY A SUMMARY OF THE DENTAL INSURANCE CONTRACT. THE COMPLETE CONTRACT MUST BE CONSULTED TO DETERMINE THE EXACT TERMS AND CONDITIONS OF COVERAGE.
