### Georgia Performance Management Process

**Performance Management is an ongoing process of establishing clear expectations and providing feedback and coaching to ensure those expectations are achieved. It is also a partnership between the employee and his/her manager. The process should focus on continuous communication between the employee and his/her manager, not on the performance form itself.**

#### Value of Performance Management
- Drives accountability throughout the organization
- Ensures there is alignment between an individual’s goals and objectives and their agency’s goals and strategic plans
- Drives clear expectations with measurable, objective criteria
- Provides opportunities for feedback to employees
- Supports individual development planning to expand the employee’s skill sets

#### Guiding Principles of Performance Management
- People drive improved performance, not forms. Focus on relationships and feedback
- Performance management is a partnership between the manager and the employee
- There should be no surprises at review time
- Specific and objective feedback is key
- All individual performance goals should be linked to goals of the department or agency
- Performance should be evaluated on what is to be accomplished, as well as how it is to be accomplished
- Performance should be carefully measured and documented to ensure fairness and objectivity

#### Performance Management Process Design
- Behavioral Competencies
  - Core competencies – required of all employees
  - Leadership competencies – required of all managers
  - Goals/Job Responsibilities
  - Aligned with state and agency mission, vision, goals, and strategic objectives
  - Individual goals unique to position
  - Individual Development Plans
  - Help identify where to best focus training dollars
  - Develop present and future competencies and skills
  - 5-point rating scale to better differentiate performance

#### ePerformance System
- Traceable and auditable
- Web-based and “paperless”
- Self-service
- Maintains historical information
- Easy agency reporting
- Flexible

What is a “SMART” Goal?
- Specific – Precise, Definite, Clear, Understandable: Exactly what I am going to do.
- Measurable – Standard, Assessment, Exact: What will success look like? (numbers, percents, etc.).
- Achievable or Attainable – Reachable, Feasible: This is possible for me to do.
- Relevant – Within my job scope: How does this relate/contribute to my job?
- Time-bound – Time frame, Ending point, Finish: When (dates) am I actually going to do this?

PERFORMANCE COACHING

Four goals of coaching:
1. To begin an effective behavior
2. To help employees correct deficiencies
3. To encourage continued good performance
4. To stretch performance to next level

Positive Feedback Approach
1. Describe behavior/result
2. Describe why the behavior is important
3. Obtain employee input
4. Encourage repeat performance

Corrective Feedback Approach
1. Describe what the employee is doing or not doing that is unacceptable
2. Describe the effects of the behavior/results
3. Ask for the employee’s input (listen/probe)
4. Describe/restate the expectation
5. Ask for a solution; gain commitment
6. Follow up
