State Purchasing**

**Official Announcement #04-14**

**FROM:** Leslie Lowe  
Deputy Commissioner

**DATE:** June 24, 2014

**TO:** Purchasing Directors, Agency and University Procurement Officers  
(APOs/CUPOs); State Procurement Staff

**RE:** Updates to the Georgia Procurement Manual (GPM)

This communication is to announce there will be no changes to the Georgia Procurement Manual (GPM) effective July 1, 2014. Since there were no legislative changes affecting procurements during the last legislative session, no changes to the GPM will be made at this time.

The State Purchasing Division is reviewing the GPM at this time for efficiencies that can be made to improve specific procurement processes for all state entities. Any change to procurement processes will require the GPM to be revised; however, it is anticipated those changes will be identified and detailed for your information by Official Announcement by mid-August along with a publication date of the revised GPM.
