

FAQs
SWC90818 – EZIQC

1. Q: What is the Contract Number?

A: SWC90818

2. Q: What type of Statewide Contract?

A: Convenience

3. Q: What are the Contract Terms?

A: 1 Year Base Period with 4 (1) Year Renewal Options

4. Q: What is the Expiration Date?

A: October 14, 2010

5. Q: Are there Ordering limitations on this Contract?

A: Yes, the Contractor may decline single orders under \$2K.

DOAS approval required for:

1) Single Orders over \$750K

2) A series of Orders from same User within a 30 day period that combined total more than \$2M

Maximum Order Limitations **DO NOT SUPERCEDE** any ordering limitations established by a User Agency/Entity

6. Q: Are Bonds and Insurance required for individual Work Orders?

A: Bonds and Insurance Certificates are issued on a Work Order by Work Order basis.

Bond Requirements may be waived for Work Orders < \$100K.

Standard Insurance Certificates are issued per Work Order.

Special Insurance Coverage is addressed on a Work Order by Work Order basis.

Purchase Orders (PO) should be issued only after **ALL** required Bonds and Insurance Certificates have been received from the Contractor.

7. Q: Can Federal Funds be used to pay for work on this Contract?

A: Yes, Federal Funds can be used to pay for work on this Contract. This Contract was modified to ensure that all Federal Terms and Conditions were added to ensure that American Recovery Reinvestment Act (ARRA) funds could be used to pay for work on this contract.

8. Q: How does the Contractor locate local Subcontractors? Is this the Agencies responsibility?

A: The Agency may provide the names of local Subcontractors that they would like to perform the work on their Project/Work Order. These Subcontractors will need to be registered and verified in the eGordian Subcontractor database.

9. Q: What is the link to the eGordian Subcontractor database?

A: www.egordian.com

10. Q: Are Subcontractors required to bid on different projects?

A: Yes, Subcontractors are required to bid on different projects. Subcontractors Awards will be based on “Best Value”.
