

Supported Browsers

The browsers that SAO supports for optimal use of TeamWorks Financials and HCM applications are those certified by TeamWorks. The following list includes the supported browsers:

Desktop and Laptop Computers	
TeamWorks Financials 9.2	TeamWorks HCM 9.2
<i>(PeopleTools v. 8.55.20)</i>	<i>(PeopleTools v. 8.54.30)</i>
<ul style="list-style-type: none"> • Chrome 35, 43, 58, 69 • Microsoft Edge 39, 52 • Internet Explorer 11 • Firefox 38, 42, 52, 53, 60, 62 • Mac Users: Safari 8, 9 	<ul style="list-style-type: none"> • Chrome 35, 43, 58, 69 • Microsoft Edge 20, 25, 39, 42 • Internet Explorer 11 • Firefox 24, 30, 38, 42, 52, 53, 60, 62 • Mac Users: Safari 6, 7, 8, 9

Mobile Browsers	
TeamWorks Financials 9.2	TeamWorks HCM 9.2
<i>(PeopleTools v. 8.55.20)</i>	<i>(PeopleTools v. 8.54.30)</i>
<ul style="list-style-type: none"> • Chrome for Android 5, 6, 7, 8 • Safari for iOS 8, 9 	<ul style="list-style-type: none"> • Chrome for Android 4.4, 5, 6 • Safari for iOS 7, 8, 9

Note: Some features may not work properly if using an unsupported browser. Agencies should refer to their local IT group. SAO does not directly engage in troubleshooting individual browser issues. We simply ask that browsers be reset to defaults, eliminate third party plug-ins and add-ons, and test from alternative browsers.
