RE: e-Verify Contractor Affidavit

Dear Mr. Johnson,

This letter is being submitted in response to the e-Verify Contractor Affidavit requirement included in the State of Georgia Furniture Contract renewal #1 package for the period of 2/3/2015 to 2/2/2021. Based upon our review of the e-Verify Program, Allseating Corporation is not required to participate in the program. Our position is established based on the following:

1. Allseating Corporation is a Canadian manufacturer;
2. Allseating does not employ any U.S. Talent directly. Allseating has no U.S. or foreign citizens working directly for the company that are based in the United States;
3. Allseating is marketed by Independent Representatives. The representatives are part of independently owned and operated businesses that work with Allseating on a contractual basis. Allseating is not involved in the day to day management of these companies and we are not involved in their hiring processes;
4. Allseating is also marketed by Independent Contractors who are not direct employees of the company; and
5. The servicing dealers utilized by Allseating are independently run businesses that establish business practices independent of any input from Allseating. Participation in the e-Verify Program would be voluntary for the servicing dealers.

Based on these facts and through conversations with representatives from the e-Verify program, Allseating is not required to participate in e-Verify program and should not sign the Contractor Affidavit.

Should the State of Georgia take a different position on this matter we would appreciate the opportunity to discuss this without our contract renewal being in jeopardy. Please feel free to contact me directly on this matter. I can be reached on (416) 580-3141.

Sincerely,

*V Windrim*

RE: Spec Furniture E-Verify Documents

Spec Furniture Inc. is not eligible to participate in e-Verify because it is a Canadian-domiciled company with no employees outside of Ontario, Canada.

According to regulation, a contractor or sub-contractor is exempt from e-Verify if he is an individual with no employees and no intent to hire employees to work on the contract.

All work performed in Georgia will be completed by authorized Spec dealers.

Yours truly,
