- (4) At the request of DOAS, give complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (5) As often as may be reasonably required, permit DOAS to inspect the property proving the loss or damage and examine your books or records.
- (6) Cooperate with DOAS in the investigation or settlement of the loss.

5. Endorsement

DOAS may endorse this Agreement at any time.

6. Inspections and Surveys

DOAS has the right but is not obligated to:

- a. Make inspections and surveys at any time;
- b. Give you reports on the conditions we find; and
- c. Recommend changes.

Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. DOAS does not make safety inspections. DOAS does

not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. DOAS does not warrant or represent that any of its recommendations, if followed, will render any condition safe or healthy or in compliance with any laws, regulations, rules, policies, codes or standards of any type.

7. Loss Payment

For all Covered Causes of Loss:

- a. In the event of loss covered by this Agreement, DOAS at its option will either pay you for the cost to repair, rebuild or replace the property with other property of like kind and quality.
- b. DOAS will not pay more for loss on a "replacement cost" basis than the least of:
 - (1) The Limit of Coverage under this Agreement
 - (2) The cost to replace, on the same premises, the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (c) The amount you spend that is necessary to repair or replace the lost or damaged property.
 - (3) The value of the damaged item(s) as listed in the "BLLIP" data base:
 - (a) DOAS will not pay you on a "replacement cost" basis for any loss until the lost or damaged property *is actually* repaired or replaced.
 - (b) If you have repaired or replaced the lost or damaged property, DOAS will pay you for loss within 30 days after receipt of the signed and notarized Sworn Proof of Loss Statement, accompanied by the necessary supporting documentation, or give you notice in writing what item(s) of the loss are in controversy.

If you decide not to repair or replace the lost or damaged property, then DOAS will only pay you for the "actual cash value." If the Covered Property was not functional, had little or no value and/or was in the process of being surplusd at the time of the loss, DOAS will only pay you for the "actual cash value" of that Covered Property.

8. No Benefit to Others

No person or organization other than you, having custody of Covered Property will benefit from this Agreement.

9. Notice and Proof of Loss

- a. Written notice of loss must be received by DOAS within 60 days after the loss was discovered;
- b. Written Proof of Loss must be received by DOAS with full details of the loss within 120 days after the loss was discovered. If full details of the loss are not known within 120 days, you may request an extension of time in which to file a proof of loss. Such request must be made in writing to DOAS and must be agreed to by DOAS.

**FAILURE TO FOLLOW EITHER OR BOTH OF THESE
PROVISIONS WITHOUT WRITTEN AUTHORITY FROM DOAS
MAY VOID YOUR COVERAGE FOR THE LOSS.**

10. Contributing Insurance

Contributing insurance is insurance written upon the same plan, terms, conditions, and provisions as those contained in this Agreement. This insurance shall contribute in accordance with the conditions of this Agreement only with other contributing insurance as defined.

11. Excess Insurance

Excess insurance is insurance over the limit of liability set forth in this Agreement. The existence of such excess insurance shall not prejudice the coverage provided under this Agreement nor will it reduce any liability hereunder.

12. Underlying Insurance

- a. Underlying insurance is insurance on all or any part of the deductible and against all or any of the causes of loss covered by this Agreement. The existence of such underlying insurance shall not prejudice or affect any recovery otherwise payable under this Agreement.
- b. If the limits of such underlying insurance exceed the deductible amount which would apply in the event of loss under this Agreement, then that portion which exceeds such a deductible amount shall be considered other insurance, as defined in the Other Insurance clause.

13. Other Insurance

Except for insurance described by the contributing insurance clause, the excess insurance clause, or the underlying insurance clause, this Agreement shall not cover to the extent of any other collectible insurance, whether directly or indirectly covering the same property against the same causes of loss. DOAS shall be liable for loss or damage only to the extent of that amount in excess of the amount recoverable from such other collectible insurance. Notwithstanding that this Agreement only covers for the excess of any other collectible insurance, DOAS will endeavor to make prompt payment in full of the amount of loss which would have been recoverable under this

Agreement in the absence of such other collectible insurance and agrees to advance the amount of loss as a loan, without interest, repayable only in the event of and to the extent of recovery from such other collectible insurance minus the cost of recovery. As used herein, "other collectible insurance" does not include self-insurance, deductibles, self-insured retentions or fronting policies.

14. Recovered Property

If either you or DOAS recover Covered Property after loss settlement, the recovering party must give the other prompt notice. At your option, the property will be returned to or retained by you. You must then return to DOAS the amount DOAS paid to you for the property. DOAS will reimburse you for recovery expenses and the expenses to repair the recovered property, subject to the Limit of Coverage. If the recovered property is damaged and you want the property returned, you must pay DOAS what is agreed to be the fair value of that damaged property less recovery expenses.

15. Reporting Procedures

Notice of all losses or damage must be reported to DOAS within 48 hours from the date the loss was discovered. Include a description of the property involved and how, when and where the loss or damage occurred.

16. Risk Exposure Reporting & Premium Payment Requirements

You are responsible for providing DOAS with accurate risk exposure information, for Covered Property, necessary to calculate the premiums for this Agreement. This information must be provided in a format prescribed by DOAS. If at any time, a covered loss occurs, and reimbursement is due from DOAS, and there are outstanding premiums owed, reimbursements made by DOAS will be reduced by the outstanding premium amount owed.

17. Subrogation

If DOAS makes payment to you under this Agreement and you have rights to recover damages from another party, those rights are transferred to DOAS to the extent of the DOAS payment. You must do everything necessary to secure DOAS' rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing prior to or after a loss to your Covered Property if you have received written approval from DOAS.

18. Territory

This Agreement covers "losses" anywhere in the world.

19. Vacancy

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs, DOAS will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

- a. Vandalism;
- b. Sprinkler leakage, unless you have protected the system against freezing;
- c. Water damage
- d. Burglary; or
- e. Attempted burglary.

However, buildings under renovation are not considered vacant.
