Eligibility and Enrollment

Eligible Employee means an employee of an Employer who is Actively At Work for the required minimum number of hours to participate in the Policyholder's Flexible Benefits Program and who meets all other requirements to participate in the State of Georgia's Flexible Benefits Program.

Your Eligibility requirements are described in general terms below. For more specific eligibility information, see your Human Resources or Benefits Department.

The following eligibility rules apply. You will become eligible for insurance on the day you complete the waiting period if:

- You are in a Class of Eligible Employees;
- You are a full-time Employee of a State of Georgia participating agency, working at least 30 hours per week, on a continuous basis, and whose employment is expected to last at least nine (9) months, or
- You are a public school teacher who is employed in a professionally certificated capacity, working 17.5 hours or more per week, or
- You are the Employee of a local school system who holds a non-certificated position and is eligible to participate in the Teachers Retirement System and working at least 20 hours per week or 60% of the time necessary to carry out the duties of the position, if that is more than 20 hours per week, or

- You are an Employee of a county or regional library and working 17.5 hours or more, and
- Others deemed eligible by Federal or Georgia Law.

Dependents

If you are covered by this program, you may enroll eligible Dependents. Your covered Dependents are also called Members.

If the wrong birthdate of a child is entered, the child has no coverage for the period for which he or she is not legally eligible. Any overpayments made for coverage for any child under these conditions will be refunded by either you or Anthem.

Your Eligible Dependents Include:

- Your legal wife or husband (spouse).
- Your Dependent children through the end of the month in which they attain age 26, legally adopted children from the date you assume legal responsibility, children for whom you assume legal guardianship and stepchildren. Also included are your children (or children of your spouse) for whom you have legal responsibility resulting from a valid court decree.
- Children who are mentally or physically disabled and totally dependent on you for support, regardless of age with the exception of incapacitated children age 26 or older. To be eligible for coverage as an incapacitated Dependent, the Dependent must have been covered under this Certificate or prior Creditable Coverage prior to reaching age 26. Certification of the disability is required within 31 days of attainment of age 26. A certification form is available from your employer or from Anthem and may be required periodically but not more frequently than annually after the two year period following the child's attainment of the limiting age.
- The Subscriber or the Subscriber's spouse's children, including natural children, stepchildren, newborn and legally adopted children and children who the Group has determined are covered under a "Qualified Medical Child Support Order" as defined by any applicable state law.
- Children for whom the Subscriber or the Subscriber's spouse is a legal guardian or as otherwise required by law.

The Plan may require the Subscriber to submit proof of continued eligibility for any enrolled child. Your failure to provide this information could result in termination of a child's coverage.

Continued on next page

To obtain coverage for children, We may require that the Subscriber complete a "Dependency Affidavit" and provide Us with a copy of any legal documents awarding guardianship of such child(ren) to the Subscriber. Temporary custody is not sufficient to establish eligibility under this Certificate.

Any foster child who is eligible for benefits provided by any governmental program or law will not be eligible for coverage under the Plan unless required by the laws of this state.

Coverage Effective Dates and enrollment requirements are described in the Group Contract.

Enrollment

Initial Enrollment

An Eligible Person can only enroll for coverage during the Open Enrollment period, if they have a Qualifying Event, or as a newly hired eligible employee, or during a Special Enrollment period, which-ever is applicable.

Newly hired eligible employees have 31 days from the date of hire to enroll in this plan. If they do not apply within the initial 31 days, they will not be able to enroll until they have a Qualifying Event, during a Special Enrollment period, or the next Open Enrollment period.

If a person qualifies as a Dependent but is not enrolled when the Eligible Person first applies for enrollment, the Dependent can only be enrolled for coverage during the Open Enrollment period or during a Special Enrollment period, whichever is applicable.

It is important for you to know which family members are eligible to apply for benefits under Family Coverage. See the section on Eligible Dependents.

Special Enrollment Periods (for Qualifying Events)

If a Subscriber or Dependent does not apply for coverage when they were first eligible, then they may be able to join the Plan prior to Open Enrollment if they qualify for Special Enrollment. Except as noted otherwise below, the Subscriber or Dependent must request Special Enrollment within 31 days of a Qualifying Event.

Special Enrollment is available for eligible individuals who:

- Lost eligibility under a prior health plan for reasons other than non-payment of Premium or due to fraud or intentional misrepresentation of material fact.
- Exhausted COBRA benefits or employer contributions toward coverage were terminated.
- Lost employer contributions towards the cost of the other coverage.
- Are now eligible for coverage due to marriage, birth, adoption, or placement for adoption.

Important notes about Special Enrollment:

- Members who enroll during Special Enrollment are **not** considered Late Enrollees.
- Individuals must request coverage within 31 days of a Qualifying Event (i.e. marriage, exhaustion of COBRA, etc.).
- When you enroll during Special Enrollment, coverage under the Plan is effective the 1st of the month following the Qualifying Event.

Foster Children

Foster children are children of those whose parental rights have been terminated by the state and who have been placed in an alternative living situation by the state. A child does not become a foster child when the parents voluntarily relinquish parental power to a third party.

Foster children for whom a Member assumes legal responsibility are not covered automatically. In order for a foster child to have coverage, a Member must provide confirmation of a valid foster parent relationship. The Effective Date will be the first of the month following your Group's employee waiting period.

Adding a Child due to Award of Legal Custody or Guardianship

If a Subscriber or the Subscriber's spouse is awarded legal custody or guardianship for a child, enrollment must be completed within 31 days of the date legal custody or guardianship is awarded by the court. If not enrolled within the 31 day eligibility period, the child will not be eligible for coverage until the next Open Enrollment.

Qualified Medical Child Support Order

If you are required by a qualified medical child support order or court order, as defined by applicable state or federal law, to enroll your child under this Certificate, We will permit your child to enroll at any time without regard to any Open Enrollment limits and shall provide the benefits of this Certificate in accordance with the applicable requirements of such order. A child's coverage under this provision will not extend beyond any Dependent Age Limit listed in the Schedule of Benefits. Any claims payable under this Certificate will be paid, at Our discretion, to the child or the child's custodial parent or legal guardian, for any expenses paid by the child, custodial parent, or legal guardian. We will make information available to the child, custodial parent, or legal guardian on how to obtain benefits and submit claims to Us directly.

Open Enrollment Period

An Eligible Person or Dependent not enrolled for coverage during the initial enrollment period, or during a Special Enrollment period, will not be eligible to enroll until the Group's next Open Enrollment.

Nondiscrimination

No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender, or age.

Notice of Changes

You are responsible to notify your Group of any changes which will affect your or your Dependent's eligibility under this Plan. This includes a change in address or a change in the number of your Dependents. The Group is then responsible to notify us of any changes according to the terms of the Group Contract. Changes to your or your Dependent's eligibility may result in a change in the Premium. If your Group fails to notify us of your changes in eligibility or to pay the required Premium, it does not obligate us to pay for your vision care.

Statements and Forms

You must complete and submit any necessary applications, or other forms or statements, we may reasonably request. Any rights to benefits under this plan are subject to the condition that all such information is true, correct and complete. Any material misrepresentation by you may result in termination of coverage as provided in the section Termination and Continuation of this Certificate. We will not use a statement made by you to void your coverage after that coverage has been in effect for two years. This does not apply to fraudulent misstatements.

Effective Date of Coverage

Your Effective Date is the date coverage begins under this Plan. Your Effective Date is listed on your ID card for this Plan. See your Group's human resources or benefits department for more information on your Effective Date.

Statement

Members should understand that all rights to benefits under this Certificate are subject to the condition that all such information is true, correct and complete. Any material misrepresentation by a Member may result in termination of coverage as provided in the " Termination and Continuation" section.

Delivery of Documents

An Identification Card will be provided for each Subscriber. Access to the Certificate will be made available electronically.

Termination and Continuation

Termination of Coverage (Group)

Anthem may cancel this Certificate in the event of any of the following:

- The Group fails to pay premiums in accordance with the terms of the group contract.
- The Group performs an act or practice that constitutes fraud or intentional misrepresentation of material fact in applying for or procuring coverage.
- We terminate cancel or non-renew all coverage under a particular policy form, provided that:
 - We provide at least 270-day notice of the termination of the policy form to all Members and the Group during the calendar year of the Effective Date.
 - We offer the Group all other small (employer) or large group (employer) policies, depending on the size of the Group, currently being offered or renewed by Us for which you are otherwise eligible; and
 - We act uniformly without regard to the claims experience or any health status related factor of the individuals insured or eligible to be insured.

Termination of Coverage (Individual)

Group program membership for you and your enrolled family members may be continued as long as you are employed by the Group and meet eligibility requirements. It ceases if your employment ends, if you no longer meet eligibility requirements, if the Group Contract ceases, or if you fail to make any required contribution toward the cost of your coverage. In any case, your coverage would end at the expiration of the period covered by your last contribution.

Coverage of an enrolled child ceases automatically at the end of the month in which the child attains age 26. Coverage of a disabled child over age 26 ceases at the end of the month if the child is found to be no longer totally or permanently disabled. Coverage of the spouse of a Member terminates automatically as of the date of divorce or death.

If you engage in fraudulent conduct or furnish Us fraudulent or misleading material information relating to claims or enrollment for coverage, then We may terminate your coverage. Termination is generally effective 30 days after Our notice of termination is mailed, except when indicated otherwise in the Schedule of Benefits. We will also terminate your Dependent's coverage, generally effective on the date your coverage is terminated. We will notify the Group in the event We terminate you and your Dependent's coverage.

If you permit the use of your or any other Member's Plan Identification Card by any other person; use another person's card; or use an invalid card to obtain services, your coverage will terminate immediately upon Our written notice to the Group. Any Subscriber or Dependent involved in the misuse of a Plan Identification Card will be liable to and must reimburse Us for services received through such misuse.

Removal of Members

A Subscriber may cancel the enrollment of any of their Dependents from the Plan. If this happens, no benefits will be provided for Covered Services provided after the Member's termination date.

Reinstatement

If coverage lapses because the Premium has not been paid within the time allowed, you will not be reinstated automatically. You may have to reapply for your coverage. If this coverage ends because of an inadvertent clerical error, reapplication is not necessary. Your coverage will not be negatively affected as a result of the Group's clerical error. However, the Group is liable to us if we incur financial loss as a result of their clerical error.

Federal Continuation of Coverage (COBRA)

The following applies if you are covered under a Group which is subject to the requirements of the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, as amended.

COBRA continuation coverage can become available to you when you would otherwise lose coverage under your Group's vision Plan. It can also become available to other Members of your family, who are covered under the Group's vision Plan, when they would otherwise lose their vision coverage. For additional information about your rights and obligations under federal law under the coverage provided by the Group's vision Plan, you should contact the Group.

COBRA Continuation Coverage

COBRA continuation coverage is a continuation of vision coverage under the Group's vision Plan when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed below. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your Dependent children could become qualified beneficiaries if coverage under the Group's vision Plan is lost because of the qualifying event. Under the Group's vision Plan, qualified beneficiaries who elect COBRA continuation coverage may or may not be required to pay for COBRA continuation coverage. Contact the Group for Premium payment requirements.

If you are a Subscriber, you will become a qualified beneficiary if you lose your coverage under the Group's vision Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of a Subscriber, you will become a qualified beneficiary if you lose your coverage under the Group's vision Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct; or You become divorced or legally separated from your spouse.
- Your spouse becomes enrolled in Medicare (Part A, Part B, or both)

Your Dependent children will become qualified beneficiaries if they lose coverage under the Group's vision Plan because any of the following qualifying events happens:

- The parent-Subscriber dies;
- The parent-Subscriber's hours of employment are reduced;
- The parent-Subscriber's employment ends for any reason other than his or her gross misconduct;
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Group's vision Plan as a "Dependent child."
- The parent Subscriber becomes enrolled in Medicare (Part A, Part B, or both)

When is COBRA Coverage Available

COBRA continuation coverage will be offered to qualified beneficiaries only after the Group has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the Subscriber, commencement of a proceeding in bankruptcy with respect to the employer, or the Subscriber's becoming entitled to Medicare benefits (under Part A, Part B, or both), then you must notify the Group of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the Subscriber and spouse or a Dependent child's losing eligibility for coverage as a Dependent child), you must notify the Group within 60 days after the qualifying event occurs.

Continued on next page

How is COBRA Coverage Provided

Once the Group receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered Subscribers may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage.

When the qualifying event is the death of the Subscriber, the Subscriber's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a Dependent child's losing eligibility as a Dependent child, COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the Subscriber's hours of employment, and the Subscriber became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the Subscriber lasts until 36 months after the date of Medicare entitlement. For example, if a covered Subscriber becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the Subscriber's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability Extension of 18-month Period of Continuation Coverage

If you or anyone in your family covered under the Group's vision Plan is determined by the Social Security Administration to be disabled and you notify the Group in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage.

Second Qualifying Event Extension of 18-month Period of Continuation Coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and Dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Group. This extension may be available to the spouse and any Dependent children receiving continuation coverage if the Subscriber or former Subscriber dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the Dependent child stops being eligible under the Plan as a Dependent child, but only if the event would have caused the spouse or Dependent child to lose coverage under the Group's vision Plan had the first qualifying event not occurred.

If You Have Questions

Questions concerning your Group's vision Plan and your COBRA continuation coverage rights should be addressed to the Group. For more information about your rights, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health Plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

Continuation of Coverage Due To Military Service

In the event you are no longer Actively at Work due to military service in the Armed Forces of the United States, you may elect to continue vision coverage for yourself and your Dependents (if any) under this Certificate in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended.

Military service means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time National Guard duty, a period for which a person is absent from a position of employment for the purpose of an examination to determine the fitness of the person to perform any such duty, and a period for which a person is absent from employment for the purpose of performing funeral honors duty as authorized by section 12503 of title 10 ([10 USCS § 12503](#)) or [section 115](#) of title 32 ([32 USCS § 115](#)).

Continued on next page

You may elect to continue to cover yourself and your eligible Dependents (if any) under this Certificate by notifying your employer in advance and payment of any required contribution for vision coverage. If Your military service is for a period of time less than 31 days, You may not be required to pay more than the active Member contribution, if any, for continuation of vision coverage.

If continuation is elected under this provision, the maximum period of vision coverage under this Certificate shall be the lesser of:

1. The 24-month period beginning on the first date of your absence from work; or
2. The day after the date on which You fail to apply for or return to a position of employment.

Regardless whether you continue your vision coverage, if you return to your position of employment your vision coverage and that of your eligible Dependents (if any) will be reinstated under this Certificate. No exclusions or waiting period may be imposed on you or your eligible Dependents in connection with this reinstatement unless a sickness or injury is determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of military service.

Family and Medical Leave Act of 1993

A Subscriber who is taking a period of leave under the Family and Medical Leave Act of 1993 (the Act) will retain eligibility for coverage during this period. The Subscriber and his or her Dependents shall not be considered ineligible due to the Subscriber not being Actively at Work.

If the Subscriber does not retain coverage during the leave period, the Subscriber and any eligible Dependents who were covered immediately prior to the leave may be reinstated upon return to work without medical underwriting and without imposition of an additional waiting period for Pre-Existing Conditions. To obtain coverage for a Subscriber upon return from leave under the Act, the Group must provide the Plan with evidence satisfactory to Anthem, including a copy of the health care provider statement allowed by the Act.

How to Obtain Covered Services

Services and Benefits

Services obtained from any licensed out-of-network Provider will be considered reimbursed directly to the Member according to the Member Reimbursement Amount listed in the Schedule of Benefits. Certain services may have additional out-of-pocket costs. You will be required to file claims for all out-of-network services.

Not Liable for Provider Acts or Omissions

The Plan is not responsible for the actual care you receive from any person. This Certificate does not give anyone any claim, right, or cause of action against the Plan based on what a Provider of vision care, services or supplies, does or does not do.

The Plan shall not be responsible for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries suffered by a Member while receiving care from any Provider or in any Provider's facilities.

Covered Services

This section describes the Covered Services available under your vision care benefits. All Covered Services are subject to the exclusions listed in the Exclusions section and all other conditions and limitations of the Certificate. The amount payable for Covered Services varies depending on the type of services and whether or not you choose optional services and/or custom materials rather than standard services and supplies. Payment amounts are specified in the Schedule of Benefits.

PAYMENT AMOUNTS AND BENEFIT FREQUENCIES ARE SPECIFIED IN THE SCHEDULE OF BENEFITS

Comprehensive Vision Examination. A complete initial vision analysis which includes an appropriate examination of visual functions, including the prescription of correction eyewear where indicated. This does not include Contact Lens fitting fee.

Frames. The Provider will assist in the selection of frames, properly fit and adjust the frames, and provide subsequent adjustments to frames to maintain comfort and efficiency. If you go to a Network Provider and you choose frames that cost more than the benefit maximum shown under the Schedule of Benefits, your cost will be based on a discounted arrangement.

Eyeglass Lenses. The Provider will order the proper Lenses necessary for your visual welfare. The Provider will verify the accuracy of the finished Lenses. Covered Lenses include plastic (CR39):

1. Single vision;
2. Bifocal;
3. Trifocal (FT25-28);
4. Lenticular

Benefits include factory scratch coating and tint (solid & gradient). Please refer to the benefits chart on page 2. You will be responsible for amounts in excess of the benefit maximum. Transitions Photochromic and polycarbonate Lenses prescribed for a child under age 19 are covered in full.

Elective Contact Lenses. You have an allowance once every 12 months toward elective cosmetic prescription contact lenses selected in lieu of the eyeglass lens benefit. Non-prescription contacts are not included. If you choose contact lenses greater than the allowance, you are responsible for the difference. If you choose to receive contact lenses, no benefits will be paid for Lenses during that same Benefit Period.

Non-Elective Contact Lenses*. Non-elective Lenses are provided for reasons that are not cosmetic in nature and have a maximum benefit as indicated in the Schedule of Benefits. Non-Elective Contact Lenses are covered when the following conditions have been identified or diagnosed:

1. Extreme visual acuity or other functional problems that cannot be corrected by spectacle Lenses; or
2. Keratoconus - unusual cone-shaped thinning of the cornea of the eye which usually occurs before the age of 20 years; or
3. High Ametropia - unusually high levels of near sightedness, far sightedness, or
4. Anisometropia - when one eye requires a much different prescription than the other eye.
5. Cataract surgery without intraocular lens implant

*Note: We will not reimburse for Non-Elective Contact Lenses for any Insured who has undergone prior elective corneal surgery, such as radial keratotomy (RK), photorefractive keratectomy (PRK), or LASIK.

Fitting Fees. A standard contact lens fitting includes spherical clear contact lenses for conventional wear and planned replacement. Examples include but are not limited to disposable and frequent replacement.

A premium contact lens fitting includes all lens designs, materials and specialty fittings other than standard contact lenses. Examples include but are not limited to toric and multifocal.

Cosmetic Options. Benefits are available for the services listed in the lens option chart on page 2 in accordance with the Additional Savings Program. The Member will be responsible for those items at a discounted rate when provided by a Network Provider.

Exclusions

The following section indicates items that are excluded from benefit consideration, and are not considered Covered Services. This information is provided as an aid to identify certain common items that may be misconstrued as Covered Services, but is in no way a limitation upon, or a complete listing of, such items considered not to be Covered Services. How to File a Claim

How to File a Claim

You are responsible for getting claims filed after you receive vision care. However, if you receive vision care from a Network Provider they will typically file claims on your behalf.

If you receive care from a Non-Network Provider you must submit the claim.

For Corporate owned Walmart locations and Sam's Club locations please use the custom Walmart/Sam's Club out-of-network claim form for submission. Services received at a Corporate-owned Walmart/Sam's Club will be reimbursed as an in-network benefit in accordance with the benefit schedule listed on pages 1 & 2 in this certificate.

After you receive vision care you will need to contact Us, either by phone or mail, within 20 days of your vision care so We can provide you claim forms for filing. If you are unable to contact Us within 20 days, you should contact Us as soon as possible. We will provide claim forms within 15 days for you to file. The claim form will have instructions on how to fill it out and where to mail it.

We must receive the claim form within 90 days from the date you had your vision care. If you are not able to send the claim within 90 days We will not void or reduce your claim. However, you must send it as soon as possible, and in no event no later than a year from when it was due unless you are legally incapacitated.

If you do not receive a claim form within 15 days after you request one, you may send Us an itemized bill instead. The itemized bill must include all of the following:

- the date of service;
- the patient's name, date of birth, and identification number; the type and place of service;
- your signature and the Provider's signature or authorized signature stamp.

Please send claims and itemized bills to one of the following:

Assignment

This Certificate is not assignable by the Group without the written consent of the Plan. The coverage and any benefits under this Certificate are not assignable by any Member without the written consent of the Plan, except as described in this Certificate.

Member's Cooperation

Each Member shall complete and submit to the Plan such authorizations, consents, releases, assignments and other documents as may be requested by the Plan in order to obtain or assure reimbursement under Medicare, Workers' Compensation or any other governmental program. Any Member who fails to cooperate will be responsible for any charge for services.

Explanation of Benefits

After you receive vision care, you will often receive an Explanation of Benefits (EOB). The EOB is a summary of the coverage you receive. The EOB is not a bill, but a statement from Us to help you understand the coverage you are receiving. The EOB shows:

- Total amounts charged for services/supplies received;
- The amount of the charges satisfied by your coverage
- The amount for which you are responsible (if any)
- General information about your Appeals.

General Provisions

Entire Contract

Note: The law of the state in which the group contract was issued will apply unless otherwise stated herein.

This Certificate, the Group Contract, the Group application, any Riders, Endorsements or Attachments, and the individual applications of the Subscriber and Dependents, if any, constitute the entire Contract between the Plan and the Group and as of the Effective Date, supersede all other agreements between the parties. Any and all statements made to the Plan by the Group and any and all statements made to the Group by the Plan are representations and not warranties, and no such statement, unless it is contained in a written application for coverage under this Certificate, shall be used in defense to a claim under this Certificate.

Form or Content of Certificate

No agent or employee of the Plan is authorized to change the form or content of this Certificate. Such changes can be made only through an endorsement authorized and signed by an officer of the Plan.

Circumstances Beyond the Control of the Plan

In the event of circumstances not within the control of the Plan, including but not limited to, a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, labor disputes not within the control of the Plan, disability of a significant part of a Provider's personnel or similar causes, or the rendering of vision care services provided under this Certificate is delayed or rendered impractical, the Plan shall make a good-faith effort to arrange for an alternative method of providing coverage. In such event, the Plan and Providers shall render services provided under this Certificate insofar as practical, and according to their best judgment; but the Plan and Providers shall incur no liability or obligation for delay, or failure to provide or arrange for services if such failure or delay is caused by such an event.

Other Government Programs

Except insofar as applicable law would require the Plan to be the primary payor, the benefits under this Certificate shall not duplicate any benefits to which Members are entitled or for which they are eligible under any other governmental program. To the extent the Plan has duplicated such benefits, all sums payable under such programs for services to Members shall be paid by or on behalf of the Member to the Plan.

Right of Recovery

Whenever payment has been made in error, We will have the right to recover such payment from you or, if applicable, the Provider. In the event We recover a payment made in error from the Provider, except in cases of fraud, We will only recover such payment from the Provider during the 24 months after the date We made the payment on a claim submitted by the Provider. We reserve the right to deduct or offset any amounts paid in error from any pending or future claim.

We have oversight responsibility for compliance with Provider and vendor contracts. We may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a Provider or Vendor resulting from these audits if the return of the overpayment is not feasible. We have established recovery policies to determine which recoveries are to be pursued, when to incur costs and expenses and settle or compromise recovery amounts. We will not pursue recoveries for overpayments if the cost of collection exceeds the overpayment amount. We may not provide you with notice of overpayments made by Us or you if the recovery method makes providing such notice administratively burdensome.

Relationship of Parties (Group-Member-Plan)

Neither the Group nor any Member is the agent or representative of the Plan.

The Group is fiduciary agent of the Member. The Plan's notice to the Group will constitute effective notice to the Member. It is the Group's duty to notify the Plan of eligibility data in a timely manner. The Plan is not responsible for payment of Covered Services of Members if the Group fails to provide the Plan with timely notification of Member enrollments or terminations.

Conformity with Law

Any provision of this Certificate which is in conflict with the laws of the state in which the group contract is issued, or with federal law, is hereby automatically amended to conform with the minimum requirements of such laws.

Modifications

This Certificate allows the Group to make the Plan coverage available to eligible Members. However, this Certificate shall be subject to amendment, modification, and termination in accordance with any of its provisions, the group contract, or by mutual agreement between the Plan and the Group without the permission or involvement of any Member. Changes will not be effective until 30 days after We provide written notice to the Group about the change. By electing medical and Hospital coverage under the Plan or accepting the Plan benefits, all Members who are legally capable of entering into a contract, and the legal representatives of all Members that are incapable of entering into a contract, agree to all terms, conditions, and provisions in this Certificate.

Clerical Error

Clerical error, whether of the Group or the Plan, in keeping any record pertaining to this coverage will not invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.

Legal Action

You may not take legal action against Us to receive benefits:

Earlier than 60 days after We receive the claim; or later than three years after the date the claim is required to be furnished to Us.

You must exhaust the Plan's Complaint and Appeals Procedures before filing a lawsuit or other legal action of any kind against Us.

Policies and Procedures

The Plan may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Certificate with which a Member shall comply.

Waiver

No agent or other person, except an authorized officer of the Plan, is able to disregard any conditions or restrictions contained in this Certificate, to extend the amount of time for making a payment to the Plan, or to bind the Plan by making any promise or representation or by giving or receiving any information.

Plan's Sole Discretion

The Plan may, in its sole discretion, cover services and supplies not specifically covered by the Certificate. This applies if the Plan determines such services and supplies are in lieu of more expensive services and supplies, which would otherwise be required for the care and treatment of a Member.

Complaint and Appeals Procedures

Our customer service representatives are specially trained to answer your questions about Our vision benefit Plans. Please call during business hours, Monday through Friday, with questions regarding your coverage and benefit levels, including Reimbursement amounts or specific claims or services you have received.

You will be notified, in writing, if a claim or other request for benefits is denied in whole or in part. If such a request is denied, the notice of denial will explain why benefits were denied and describe your rights under the Appeals Procedure. A Complaint Procedure also exists to help you understand the Plan's determinations.

The Complaint Procedure

A Complaint Procedure is available to provide reasonable, informative responses to complaints that you may have concerning the Plan. A complaint is an expression of dissatisfaction that can often be resolved by an explanation from the Plan of its procedures and contracts. The Plan invites you to share any concerns that you may have over benefit determinations or coverage cancellations

If you have a complaint or problem concerning benefits or services, please contact Us. You may submit your complaint by letter or by telephone call. Or, if you wish, you may meet with your local service representative to discuss your complaint.

Members are encouraged to file complaints within 60 days of an initial, adverse action, but must file within six months after receipt of notice of the initial, adverse action. The time required to review complaints does not extend the time in which appeals must be filed.

The Appeals Procedure

An appeal is a formal request from you for the Plan to change a previous determination. If you are notified in writing of a Coverage Denial or any other adverse decision by Us, you will be advised of your right to an internal appeal.

A Coverage Denial means Our determination that a service, treatment, drug or device is specifically limited or excluded under this Certificate.

The internal appeals process may be initiated by the Member, the Member's authorized representative, or a Provider acting on behalf of the Member within 60 days of receipt of Our written notice of a Coverage Denial, or any other adverse decision made by Us, but must be filed within six months of your receipt of the initial decision. The request should include any medical information pertinent to the appeal. All portions of the medical records that are relevant to the appeal and any other comments, documents, records or other information submitted by the Member relating to the issue being appealed, regardless of whether such information was considered in making the initial decision, will be considered in the review of the appeal. Any new medical information pertinent to the appeal will also be considered. Members are entitled to receive, upon request and free of charge, reasonable access to, and copies of, documents, records, and other information relevant to the Member's appeal.

If a representative is seeking an appeal on behalf of a Member, We must obtain a signed Designation of Representation (DOR) form from the Member. The appeal process will not begin until Anthem has received the properly completed DOR. We will forward a Designation of Representation form to the Member for completion.

The individuals responsible for reviewing your request for an internal appeal will not be the same individuals who made the initial denial or determination. They will not be the subordinates of the initial decision-maker either and no deference will be given to the initial decision.

Within a reasonable period of time but no later than 30 days after receiving a written or an oral request for an appeal, We will send a written decision to the Member or their authorized representative.

Vision Services

We are not liable for the furnishing of Covered Services, but merely for the payment of them. You shall have no claim against Us for acts or omissions of any Provider from whom you receive Covered Services. We have no responsibility for a Provider's failure or refusal to give Covered Services to you.

Limitation of Actions

No lawsuit or legal action of any kind related to a benefit decision may be filed by you in a court of law or in any other forum, unless it is commenced no earlier than 60 days after We receive the claim or other request for benefits and within three years of the Plan's final decision on the claim or other request for benefits. If the Plan decides an appeal is untimely, the Plan's latest decision on the merits of the underlying claim or benefit request is the final decision date. You must exhaust the Plan's internal appeals procedure before filing a lawsuit or other legal action of any kind against the Plan.
