# GA@WURK

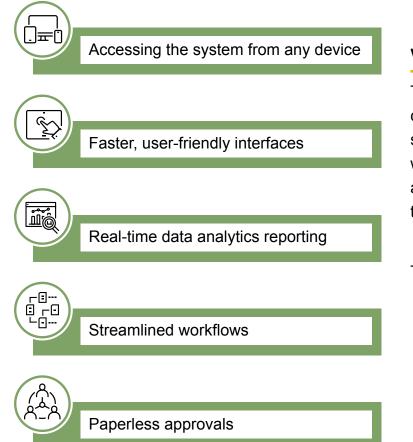

## WHAT IS IT?

GA@WORK will replace the current PeopleSoft Human Capital Management and Finance systems with a modern, cloud-based Enterprise Resource Planning (ERP) System.

The NextGen project, which is leading the GA@WORK implementation, will benefit State of Georgia entities, employees, suppliers and contractors.

## HOW WILL IT AFFECT ME?

The tasks you complete today in the TeamWorks / PeopleSoft system will be completed in the GA@WORK system in the future. Some of the benefits of the new, cloud-based system include:

NEXTGEN

## WHEN WILL IT GO LIVE?

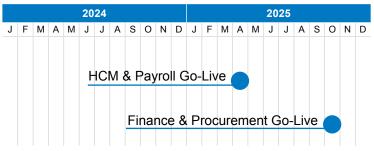

GA@WORK is being deployed in two waves.

#### April 2025

First is Human Capital Management (HCM) and Payroll functions in April 2025.

#### October 2025

Finance and Procurement functions will follow in October 2025.

# WHAT DO I NEED TO KNOW?

The GA@WORK system is currently being configured to optimize the business needs of 200+ state entities. As we get closer to the Go-Live dates, we will send more information and help you prepare and train for the transition to the new system. Stay tuned!
