

# State of Georgia Job Description

**Job Family:** Engineering  
**Job Code:** ETP121  
**Job Title:** GDOT Civil Engineer 2  
**Functional Level:** Professional (PRO)  
**Pay Plan:** Statewide Salary Plan (SWD)  
**Grade:** L  
**Salary Range:** \$50,982.94 - \$66,351.55 - \$81,720.15

---

## **Job Summary:**

Under direct supervision, serves as an entry level engineer performing introductory engineering assignments. Provides engineering assistance developing project plans, designs, or traffic engineering studies and other related documents, field experience with traffic signals and ITS hardware, cost estimates and other engineering technical reports for transportation projects.

## **Primary Duties & Responsibilities:**

### **Entry Qualifications:**

Bachelor's degree in engineering from an A.B.E.T. accredited program OR equivalent degree in a related field OR a Valid Engineering -in-Training (EIT) certificate OR Professional Engineer (PE) license issued by the State of Georgia.

Note For International degrees: Applicants with a bachelor's degree from an international institution must submit a course-by-course evaluation from a GDOT approved credentialing provider.

### **Preferred Qualifications:**

In addition to Entry Qualifications, Preferred Qualifications may be added by the agency.

#### **NOTE:**

*The above job description represents the general nature, primary duties and responsibilities, and qualifications for the work performed by employees within this job, but is not a comprehensive and exhaustive list. Employees may be required to perform other duties as assigned, and specific duties, responsibilities, and activities within the core nature of the job may change at any time with or without notice. Employees must be able to perform the essential functions of the job, as specified by the employing entity, with or without reasonable accommodation.*
