Covered Party means any person or organization qualifying as such under the terms of this Agreement for whom premiums have been paid for coverage.

Words and phrases that appear in quotation marks have special meaning. Refer to D. Definitions.

However, student employees are only covered for claims arising in the course and scope of their duties when employed and not for any claims associated with any non-employment activity.
4. Members of the organized Militia who are serving on State active duty upon order of the Governor at the time of an “occurrence” covered by the terms of this Agreement.
5. Any non State employee designated by law to be a State employee for coverage purposes only, and only if the premium is paid for such coverage at the time of an “occurrence” covered by the terms of this Agreement.

B. COVERAGE AGREEMENT

DOAS will pay those sums that the Covered Party becomes legally obligated to pay as “damages” because of “bodily injury”, “property damage”, and/or “personal injury”, to which this coverage applies. DOAS will have the right and duty to defend the Covered Party against any “lawsuit” seeking those “damages”. However, DOAS will have no duty to defend the Covered Party against any “lawsuit” seeking “damages” for “bodily injury”, “property damage”, and/or “personal injury” to which this coverage does not apply. At its discretion, DOAS may investigate any “occurrence” and settle any claim or “lawsuit”. This Agreement applies to “bodily injury”, “property damage”, and/or “personal injury” only if the “occurrence” is committed or allegedly committed (1) by a Covered Party while acting in the course and scope of their duties with a participating “department” that has purchased coverage as stated on the Declarations Page and (2) which takes place during the policy period. “Bodily injury”, “property damage”, and/or “personal injury” will be deemed to have known to occur at the earliest time when any individual listed under paragraph A. **Covered Party** receives notice of an “occurrence” or claim: (1) reports all or part of the “occurrence” or claim to DOAS; (2) receives a written or verbal demand or claim for “damages”, or (3) becomes aware by any means that “bodily injury”, “property damage” and/or “personal injury” has occurred or has begun to occur. This Agreement will respond to any covered allegation in order to defend and pay “damages” on behalf of a Covered Party when a claim or “lawsuit” is filed and is not covered by the Georgia Tort Claims Act (O.C.G.A. §51-20, et. seq.). This Agreement does not provide any coverage for claims or “lawsuits” filed in any court of the State of Georgia that are covered by the Georgia Tort Claims Act. In consideration of the payment of the appropriate premium as listed on the Declarations Page, and subject to all of the limitations as set forth in this Agreement or any addendum hereto DOAS agrees to provide coverage and to make payments with respect thereto out of the Fund.

PROFESSIONAL MEDICAL MALPRACTICE COVERAGE

DOAS will pay on behalf of the Covered Party all sums which the Covered Party shall become legally obligated to pay as “damages” because of “bodily injury”, “property damage”, and/or “personal injury” and caused by error, omission, or negligence in professional “medical services” rendered or which should have been rendered by the Covered Party in the course and scope of their duties with a participating State of Georgia “department”.

ADDITIONAL COVERED PARTY COVERAGE

DOAS may pay on behalf of an Additional Covered Party all sums the Additional Covered Party shall become legally obligated to pay as “damages” arising out of an “occurrence” covered by a specified endorsement to this Agreement. However, for this coverage to be effective, the Additional Covered Party must have been approved in writing by DOAS prior to the “occurrence” in order to be covered by this Agreement, in conjunction with the approved specified endorsement. There is no Additional Covered Party Coverage unless this Agreement has been specifically endorsed to name the Additional Covered Party.

The following entities are listed as Additional Covered Parties subject to the terms and Conditions of this Agreement and also to the coverage limitations as listed in the coverage subsection below. Entities (not covered by the Georgia Tort Claims Act) which are specified in O.C.G.A. §45-9-4(g) and 45-9-4.2(b) that are operating automobiles pursuant to and within the scope of O.C.G.A. §45-9-4(g) and 45-9-4.2(b).

Additional Covered Parties: Entities (not covered by the Georgia Tort Claims Act) which are specified in O.C.G.A. §45-9-4(g) and 45-9-4.2(b) that are operating automobiles pursuant to and within the scope of O.C.G.A. §45-9-4(g) and 45-9-4.2(b)

Limits of Liability: \$500,000 per “occurrence”

DOAS will pay on behalf of the Additional Covered Parties described in this coverage subsection all “damages” up to the Limits of Liability shown above for “bodily injury” or “property damage” caused by the operation of an “automobile” only; provided, however, such coverage is provided only to the extent that the operation of such “automobile” is pursuant to and within the scope of O.C.G.A. §45-9-4(g) and 45-9-4.2(b). The coverage provided by this Agreement to the Additional Covered Parties specified in this coverage subsection shall in no way be interpreted so as to provide for any other coverage and provides no coverage to “departments” covered by the Georgia Tort Claims Act. Other than as described in this coverage subsection, no other coverage is provided to the Additional Covered Parties described in this coverage subsection.

SUPPLEMENTARY PAYMENTS

REIMBURSEMENT OF LEGAL FEES/PROFESSIONAL LICENSE DEFENSE OF PROFESSIONAL LICENSE

DOAS agrees to reimburse to an eligible Covered Party (as specified in O.C.G.A. §45-9-1) who is required to maintain a professional license, legal fees and other expenses incurred in the successful defense of a charge directly related to the performance of official duties in proceedings before a professional licensing board, disciplinary board or commission, or other similar bodies. Legal fees and other expenses shall be subject to adjustment by and the approval of the Attorney General of the State of Georgia.

REIMBURSEMENT FOR LEGAL FEES FOR CRIMINAL DEFENSE

DOAS will reimburse any eligible Covered Party (as specified in O.C.G.A. §45-9-1) for reasonable legal fees and other expenses incurred in the successful defense of a criminal action directly related to the performance of the Covered Party's official duties, provided the legal fees and the other expenses are approved by the Attorney General of the State of Georgia.

REIMBURSEMENT FOR LEGAL FEES FOR QUI TAM DEFENSE

DOAS will reimburse any eligible Covered Party for reasonable legal fees, not to exceed \$125 per hour, and other reasonable expenses incurred in the successful defense of a qui tam action directly related to the performance of the Covered Party's official duties; provided however any such legal fees and other expenses are subject to approval by DOAS. Successful defense shall mean a final judgment of no liability with no opportunity for any appeals. Successful defense shall not include settlements or dismissals without prejudice of any claim.

C. LIMITS OF LIABILITY

The Limits of Liability for DOAS under this Agreement shall be as stated on the Declarations Page attached hereto and made a part hereof and shall constitute the total extent of liability on the part of DOAS. Notwithstanding any other provision of this Agreement, the Limits of Liability specified on the Declarations Page of this Agreement shall constitute the limit which DOAS shall be legally liable to pay to any person or organization irrespective of (1) the number of Covered Persons and “departments” under this Agreement, (2) the number of alleged “occurrences” in a “lawsuit”, (3) the number of persons or organizations who sustain injury or damage, or (4) the number of claims made (primary, derivative or otherwise) or “lawsuits” filed on account of such “occurrence”. For purposes of this Agreement, any and all “damages” claimed by any person or organization for “bodily injury”, “property damage”, and/or “personal injury” caused by a Covered Party shall be included in and limited by the Limit of Liability as stated on the Declaration Page of this Agreement. Also, for the purposes of this Agreement, the per person Limit of Liability specified on the Declarations Page of this Agreement shall include any (1) “damages” asserted by the representative of the estate of a claimant notwithstanding the estate’s status as a separate person and (2) “damages” asserted by another person for loss of consortium.

This Agreement does not waive Sovereign Immunity or any other factual or legal defense which a Covered Party may have, nor does this Agreement pledge the credit of the State of Georgia. The Limits of Liability herein stated are limits on the expenditure of funds from the Fund. These Limits of Liability apply regardless of the size of a claim or the amount of money in the Fund. Notwithstanding the stated Limits of Liability, the State's financial obligation is limited to the expenditure of funds from the Fund and is not an undertaking to pay any sum from any other source or to cause the payment of any additional sums into the Fund from any source.

E. EXCLUSIONS

This Agreement does not apply to the following:

- 1. Claims insured under the "Georgia Tort Claims Act" as specified in O.C.G.A. 50-21-20 et.seq.
- 2. Claims relating to an “occurrence” committed or allegedly committed by a Covered Party while outside the course and scope of their duties with a participating “department”.

3. Claims for “bodily injury” or “property damage” expected or intended from the standpoint of the Covered Party. This exclusion does not apply to “bodily injury” resulting from the use of reasonable force to protect persons or property. This exclusion also does not apply to “damages” arising out of any “personal injury”.
4. Claims for “bodily injury” to an employee of the State of Georgia or any of its “departments” for which the State of Georgia or any of its “departments” may be held liable under any workers’ compensation, unemployment compensation or disability benefits law or any similar law. In addition, loss of income, wages, commissions and all other types of employee benefits to be paid to an employee of the Named Covered Party as a result or a settlement of the claim or if awarded in a judgment in court are not covered by this Agreement.
5. Claims for “bodily injury” or “property damage” to any employee of the State of Georgia or any of its “departments” arising out of and in the course of such employee's employment or to any obligation of any Covered Party to indemnify such employee because of damages arising out of such injury.
6. Claims for any liability to the government of the United States, or any department, agency or instrumentality thereof; or to the State of Georgia, or to any department thereof; or to any political subdivision of the State of Georgia; however, this Agreement will cover “property damage” claimed by these government entities if:
 - a. The damages result from the negligence of a Covered Party in the course and scope of their duties with a participating “department”; and
 - b. “Property damage” relates to property that is owned by a government agency other than the “department” where the Covered Person is employed.
7. Except as provided in B. Use includes operation and “loading and unloading”. This exclusion applies even if the claims against the Covered Party allege negligence or other wrongdoing in the supervision, hiring, employment, training, or monitoring of others by that Covered Party, if the “occurrence” which caused the “bodily injury” or “property damage” involved the ownership, maintenance, use or entrustment to others of any aircraft, watercraft or “automobile” that is owned or operated by or rented or loaned to any Covered Party. This exclusion does not apply to “bodily injury” or “property damage” arising out of the operation of any “mobile equipment”. However, coverage under this Agreement would apply to use of an “automobile” or watercraft involved in an “occurrence” where the “occurrence” would not be covered by the Georgia Tort Claims Act. Notwithstanding the coverage provided to “automobiles” or watercraft involved in “occurrences” not covered by the Georgia Tort Claims Act, all other provisions of this exclusion apply.

8. Claims for “bodily injury” or “property damage” arising out of the ownership, maintenance, operation, use, “loading or unloading” of any “mobile equipment” while being used in any prearranged or organized racing, speed or demolition contest or in any stunting activity or in practice or preparation for any such contest or activity.
9. Where a lawsuit combines a cause(s) of action that is covered under this Agreement with a cause(s) of action that is excluded, and DOAS believes the substance of the lawsuit is based on the excluded cause(s) of action, DOAS shall have no duty to defend the Covered Party. However, should a final judgment be entered based on a covered cause(s) of action, DOAS will pay that portion of the award as apportioned by the court.
10. The coverage as afforded by this Agreement does NOT apply to claims for: “bodily Injury”, “property damage”, and/or “personal injury” (including the loss of use thereof) caused by, contributed to or arising out of the actual, alleged or threatened discharge, dispersal, release, or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquids or gases, waste material or other irritants, pollutants, contaminants or hazardous material into or upon the land, the atmosphere or any course or body of water, whether above or below ground. The coverage afforded by this Agreement does not apply to any loss, cost or expense arising out of any request, demand or order that any Covered Party test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of “pollutants”. This Agreement also does not apply to any claim or “lawsuit” by or on behalf of any party, including but not limited to a government authority for damages or other relief because of testing, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way, responding to, or assessing the effects of “pollutants”. 13. Claims for “property damage” to any property owned or occupied or rented to any Covered Party or property used by any Covered Party or property in the care, custody or control of any Covered Party or as to which any Covered Party is for any purpose exercising physical control; except as to any easement, sidetrack contract or agreement or in any fiduciary capacity.
14. Claims for “property damage” to premises alienated by the State of Georgia or its “departments”.
15. Claims for loss of use of tangible property which has not been physically injured or destroyed resulting from a delay in or lack of performance by or on behalf of any Covered Party with respect to any contract or agreement by the State of Georgia or its “departments” or the failure of products or work performed by or on behalf of any Covered Party to meet the level of performance, quality, fitness or durability warranted or represented by the Covered Party; provided that this exclusion does not apply to the loss of use of other tangible property resulting from the sudden and accidental injury to or destruction of the product or work produced or performed by or on behalf of any Covered Party after such product or work has been put to use by any person or organization other than the Covered Party.
16. Claims for any “damages” for the withdrawal and inspection, repair, replacement or loss of use (1) of any Covered Party’s product or work completed by or for any Covered Party, or (2) of any property of which such product or work forms a part, when such product or work is withdrawn from the market or from use because of any known or suspected defect, deficiency, inadequacy or dangerous condition therein.
17. Claims for “damages” resulting from any dishonest, fraudulent or criminal act or omission of any Covered Party which forms the basis of a criminal conviction, whether by verdict, plea of guilty or plea of nolo contendere including any criminal conviction for which first-offender treatment is afforded, regardless of the specific offense for which a criminal conviction is obtained or the theory of civil liability asserted against the Covered Party.
18. Claims for any action(s) seeking relief in the nature of injunctive, mandamus, or other extraordinary relief or any action for declaratory judgment, or both, except when monetary damages are individually sought against a Covered Party; provided however, this Agreement shall not provide coverage for costs associated with complying with any order for injunctive, mandamus or other extraordinary relief or declaratory judgment.
19. Claims for any “damages” resulting from the hazardous properties of nuclear material arising out of the operation of a nuclear facility by any person or organization.

20. With respect to injury, sickness, disease, death or destruction:

- a. When the Covered Party under this Agreement is also an insured under a nuclear energy liability policy issued by the Nuclear Energy Liability Insurance Association, Mutual Atomic Energy Liability Underwriters or Nuclear Insurance Association of Canada, or would be an insured under any policy but for its termination upon exhaustion of its limit of liability; or
- b. Resulting from the hazardous properties of nuclear material and with respect to which (1) any person or organization is required to maintain financial protection pursuant to the Atomic Energy Act of 1954, or any law Amendatory thereof, or (2) the Covered Party is, or had this Agreement not been issued would be entitled to indemnity from the United States of America, or any agency thereof, under any agreement entered into by the United States of America or any agency thereof, with any person or organization; or
- c. Under any medical payments coverage, or under any supplementary payments provision relating to immediate medical or surgical relief to expense incurred with respect to bodily injury, sickness, disease or death resulting from the hazardous properties of nuclear material and arising out of the operation of a nuclear facility by any person or organization; or
- d. Under any liability coverage, for injury, sickness, disease, death or destruction resulting from the hazardous properties of nuclear material; if:
 - (1) The nuclear material (1) is at any nuclear facility owned by or operated by or on behalf of a Covered Party, or (2) has been discharged or dispersed therefrom;

 - (3) The injury, sickness, disease, death or destruction arises out of the furnishing by a Covered Party of services, material, parts or equipment in connection with the planning, construction, maintenance, operation or use of any nuclear facility.

21. Except as provided in Exclusion 7, claims for “bodily injury” or “property damage” arising out of the ownership, maintenance, operation, use, “loading, or unloading “of any aircraft or watercraft.

22. This Agreement does not provide coverage to non-State employees or volunteers except when authorized by State law or added by endorsement to this Agreement and only if, when required, a premium is paid by a State “department” to cover non-State employees or volunteers.

23. Claims for “bodily injury”, “property damage”, and/or “personal injury” arising out of or imposed by any constitutional provision, statute, court, municipal or local ordinance or law, administrative order, or rule of law dealing with the power of eminent domain, or condemnation, or any acts arising out of or caused by the Covered Party thereunder.
24. Claims for which the Covered Party is obligated to pay “damages” by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for “damages” that the Covered Party would have in the absence of the contract or agreement.
25. Claims for “damages” resulting from breach of contract.
26. Claims for any losses resulting from the decline in the value of investments.
27. Claims for “damages” arising out of or resulting from any act or omission which the public policy of the State of Georgia does not permit to be covered, regardless of the theory of liability asserted.

F. CONDITIONS

As a condition of the coverage afforded by this Agreement, the Covered Party is required to comply with all Conditions of this Agreement and to cooperate with DOAS and the Georgia Attorney General in all respects. The failure of the Covered Party to comply with any of the Conditions of this Agreement or the failure of the Covered Party to cooperate with DOAS or the Georgia Attorney General in all respects shall result in a loss of any and all coverage, specifically including but not limited to, the provision to indemnify and the provision of a legal defense to the Covered Party under this Agreement, regardless of the stage of claims or “lawsuits” against the Covered Party. Specific conditions are set for the below:

1. **ASSIGNMENT** There shall be no assignment of this Agreement. There are no third-party beneficiaries of this Agreement.

2. **COMPLIANCE.** DOAS shall not be liable for any amounts unless there shall have been full and complete compliance with all terms and conditions of this Agreement or until the Covered Party's obligation to pay shall have been finally determined either (1) by judgment against the Covered Party at the trial or (2) written agreement of DOAS.
