STATE AUTHORITY OPERATIONAL LIABILITY POLICY

Policy No. AOLP-401-11-26

This is a contract issued by the Georgia Department of Administrative Services for the purpose of providing a self insured liability insurance policy to cover the operations of State Authorities.

NAMED INSUREDS:

- 1) Participating Authorities who elect to purchase coverage.
- 2) Employees of participating Authorities in their official capacity.
- 3) Board Members in their official capacity.
- 4) Elected or appointed directors and officers of participating Authorities in their official capacity.
- 5) Additional Insureds, when Added by Endorsement or have previously been named additional insureds and are included in body of policy (Part I (E) CONTRACTS WHERE LIABILITY HAS PREVIOUSLY BEEN ASSUMED)

**Official capacity shall mean that the liability in question is, in effect, that of the Authority.*

TERRITORY:

This policy covers occurrences anywhere in the world, if an insured's responsibility to pay "damages" is determined in a "lawsuit" or in a settlement we agree to in the United States of America (including its territories and possessions) or Canada.

RENEWAL:

Unless cancelled by the Authority Liability Trust Fund, this coverage is to be renewed annually, for a minimum of five (5) years, unless notice of intent not to renew is given by the participating Authority, and the Authority Liability Trust Fund agrees to the non renewal. Premium notices will be directed to each participating Authority prior to the expiration date, or as near as possible to said date.

PART I – INSURING AGREEMENT:

The insurance afforded by this liability policy applies only to accidents or happenings or events that occur during the stated policy period unless an insured Authority elects to purchase coverage to an earlier retroactive date as stated on the Declarations Page. This policy will respond to any covered allegation in order to defend and pay damages for any insured authority when a claim or lawsuit is filed in a State Court other than the State of Georgia's court or in the Courts of the United States of America. However, this policy does not provide any coverage to State authorities for any claim or law suit filed in any State Court system operated by any government entity of the State of Georgia that is covered by the Georgia Tort Claims Act. The State Authority Operational Liability Insurance Trust Fund, hereinafter referred to as "The Fund" will pay on behalf of the insured all sums which the insured shall become legally obligated to pay as damages resulting from bodily injury, property damage, or personal injury to which this insurance applies, caused by an occurrence, and the Fund shall have the right and duty to defend any suit against the insured seeking damages on account of such bodily injury, property damage, or personal injury even if any of the allegations of the suit are groundless, false or fraudulent, and the Fund may make such investigation and settlement of any claim or suit as it deems expedient, but the Fund shall not be obligated to pay any claim or judgement or to defend any suit after the applicable limit of the Fund's liability has been exhausted by payment of court costs, attorney fees, litigation expenses, judgments or settlements.

The following section will list several types of coverage provided by this policy. Since this policy insures all types of negligence committed by the insured, the coverages are not limited to the following.

A. GENERAL LIABILITY COVERAGE

The Fund will pay on behalf of any insured, all sums which the insured shall become legally obligated to pay as damages, court costs, litigation expenses and attorneys fees because of bodily injury, property damage or personal injury caused by any insured in the course of the insured's performance of the insured's job.

B. DIRECTORS AND OFFICERS (D&O) LIABILITY/AND ERRORS AND OMISSIONS COVERAGE

This policy, subject to its conditions and exclusions as hereinafter provided, shall pay on behalf of the insured Authority loss arising from any claim or suit against each and every person, jointly or severally, who was or now is or may hereafter be a Director or Officer of the Authority in their respective capacities as Directors or Officers of the Authority but only when the Directors and Officers are acting in their official capacity, during the policy period and/or retroactive period as stated on the Declarations Page.

C. LOCOMOTIVE LIABILITY COVERAGE

This policy will provide the limits of liability per occurrence for bodily injury or property damage arising out of the ownership, maintenance, operation, use, loading, or unloading of authority owned, leased, borrowed, or bailment locomotives and any attached passenger cars and all other locomotive cars.

D. CONTRACTUAL LIABILITY COVERAGE

The Fund may pay on behalf of the Insured Authority all sums the insured, by reason of a contractual liability, has assumed through the contract up to limits of liability designated on the Declarations Page, unless separate limits are specified in the policy. However, the insured Authority must notify the Fund of this contractual assumption prior to a loss, so that the Fund may provide an endorsement for the Contractual Liability assumed if the Fund has determined it to be necessary or convenient to the public functions of an Authority. The Fund may also add additional insureds to the policy to protect the Authorities under any "Insured Contract". The Fund will defend and pay damages in behalf of any additional insured when a claim is filed in either State or Federal Court.

The Fund shall pay all damages for bodily injury or property damage to which this insurance applies, caused by an occurrence, and the Fund shall have the right and duty to defend any suit against the insured seeking damages on account of such bodily injury or property damage, even if any of the allegations of the suit are groundless, false or fraudulent, but the Fund shall not be obligated to pay any claim or judgment, or to defend any suit after the limits of the Fund's liability has been exhausted by payment of judgments or settlements.

The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Mailing of such written notice shall be equivalent to delivery. In the event of cancellation, earned premium shall be computed prorata. Premium adjustments may be made either at the time cancellation is effective or as soon as practicable after cancellation becomes effective but payment or tender of unearned premium is not a condition of cancellation.

J. Governing Laws

This contract shall be deemed to be executed and delivered in the State of Georgia, shall be a contract made under and pursuant to the laws of the State of Georgia, and shall be governed by and construed under and in accordance with the laws of the State of Georgia.

Legal representation for all insured authorities, and all insured employees, board members, directors, and officers acting in their official capacity, shall be by the Attorney General of the State of Georgia or by any designee properly appointed by the Attorney General. The Fund shall reimburse the Attorney General when assistance is provided through Special Assistant Attorney Generals or other designees and when assistance is provided through in-house staff where compensation or reimbursement is not otherwise provided.

If the Attorney General determines not to defend an insured authority, or insured employee, board member, director, or officer acting in official capacity, representation shall be as provided by law, and the Fund shall compensate retained counsel. In addition, this policy is in excess of other valid and collectible insurance available to the named insureds as a result of the insureds being named as an additional insured under any policy as a result of any contractual agreement made by the State.

N. Contractual Agreement

Each State Authority should make it a requirement that all contractors and service providers indemnify and hold the State and the State's employees harmless when entering into any and all contractual agreements between the Authority and the contractor or service provider. The Authority then should obtain an insurance certificate to document that the contractor or service provider has purchased a Commercial General Liability Insurance Policy that would insure the contractual arrangement.

O. Sovereign Immunity

This insurance policy does not waive Sovereign Immunity or any other factual or legal defense which an insured may have nor does this insurance policy pledge the credit of the State.
