I am pleased to announce that on March 10, 2011, a memorandum was received from the Attorney General's Office in response to our request which provided a final determination that the requirement to obtain an affidavit only applies to contracts related to *public works contracts* as referenced in § 50-5-72. Please begin applying this change immediately. Based on this official announcement, the GPM will be revised in July 2011 to be consistent with this finding.

The SPD Official Form, SPD-SP054 Immigration and Security Form (found on the State Purchasing Division website at <http://doas.ga.gov/StateLocal/SPD/Seven/Pages/Home.aspx>) will be retained for your use.

Please accept our apologies for the extra work effort that this may have caused you.
