Letter of Transmittal

Mr. Gilbert,

Thank you and the State of Georgia for the opportunity to submit a response to Supplemental Public Mass Transit & Transportation Vehicles and Related Equipment and Accessories.

Our understanding of the scope of work pertaining to this RFP is to provide the State of Georgia proposals for the manufacture and delivery of medium and heavy-duty transportation vehicles in accordance with the terms and conditions set forth in this solicitation, meeting all Specifications and FMVSS laws. The resulting contract will be a co-operative contract whereby other public agencies and / or transit authority may utilize these states purchasing schedules. The base contract shall be for a period of 1 years. The State of Georgia may, at its option and with the approval of the contractor, extend the term of this agreement 4 additional years. The contract shall be a firm-fixed price contract for the first year with a justified escalation provision for succeeding years.

The information contained in our proposal contains our qualifications to perform the required work, detailed specifications, descriptions of our facilities and staff.

Included are all the required documentation and general forms required in the RFP.

Please give us a call if you have any questions. 800-326-2877.

Sincerely,

A handwritten signature in red ink, appearing to read 'Marcus Hoffman', is written over the typed name.
