## RFP Addendum #4

<b>RFP Number: 99999-001-SPD0000152</b>	<b>RFP Title: Supplemental Mass Transit &amp; Transportation Vehicles and Related Equipment and Accessories</b>
Requesting State Entity: State Purchasing Division, Georgia	
Issuing Officer: Billy R. Gilbert	RFP Initially Posted to Internet: See GPR
eMail Address: billy.gilbert@doas.ga.gov	Telephone: 404-657-4277
Addendum Number: 4	Date: 1/26/2018

Note: In the event of a conflict between previously released information and the information contained herein, the latter shall control.

1. All references in Addendums, Specifications, Answers or any solicitation documents that state or refer to this subject: "All buses offered in this solicitation must be in production at the time of the bid close date. If the offered bus is an FTA compliant bus, it must meet all FTA requirements.

are amended to read:

"All buses offered in this solicitation must be in production at the time of the bid close date. If the offered bus is an FTA compliant bus, it must meet all FTA requirements including Altoona Test Results. Suppliers should provide the State the Altoona Test Results in their bid submissions along with the required FTA requirements documentation. The FTA requirements do not apply to buses offered as "Non-FTA" buses (buses not being subsidized by the FTA). However, if Authorized Users choose to require Altoona Test Results for "Non-FTA" buses, to ensure the asset is protected, they may include those requirements in their purchase order."

2. Suppliers will have the capability to submit written request for adding new product(s) introduced in the market as a result of emerging technology. Such request must be within the scope of the contract and cannot be a product that was available on the solicitation close date.

New product(s) generally include products recently introduced into the market and/or updated models of buses previously offered which reflect new technology and improved functionality. It is the Supplier's responsibility to justify both the benefit to the State as well as present a "business case" that demonstrates the cost of the new product(s) are reasonable and competitive.

Written request for such products must be requested 90 days before contract renewals. The decision to add product(s), or not, rest solely with the State.

3. All references in all Addendums to eRFQ or RFX is amended to read eRFP.

4. All references to solicitation number ending in 99999-SPD-SPD0000138 are amended to read 99999-SPD-SPD0000152.
5. Version 2 of Attachments Q and P are posted with this Addendum.
