

Statewide Contract Spotlight

Vaccine Distribution Services, Including Influenza (#99999-SPD-G20200612)

The statewide contract for the distribution of vaccines, including influenza for the State of Georgia was implemented in November 2, 2020 as a Convenience Contract for all of State of Georgia entities until December 31, 2022 with three suppliers: ASD Specialty Healthcare, FFF Enterprises, and McKesson Medical-Surgical.

ASD Healthcare is the nation's largest specialty pharmaceutical distributor for oncology and supportive care products to health systems. With more than 40,000 active accounts, they service 95 percent of U.S. hospitals, as well as specialty pharmacies, hemophilia centers, home healthcare companies and retail pharmacies.

FFF Enterprises has been recognized as the nation's leading supplier of critical-care biopharmaceuticals, plasma products (including albumin, intravenous immune globulin and coagulation products) and vaccines. With partners that include the largest and most influential GPOs and nearly two billion dollars in annual sales, FFF has earned its reputation as the largest and most trusted distributor of human blood products, vaccines and critical-care biopharmaceutical products in the United States.

McKesson Medical-Surgical is the oldest and largest healthcare company in the nation, serving more than 50 percent of U.S. hospitals and 20 percent of physicians. They deliver one-third of all medications used daily in North America with operations in more than 16 countries. With access to more than 80 core regular and seasonal vaccines at competitive prices, which will allow you to provide superior clinical care to patients at

competitive prices. Their extensive catalog of pharmaceutical products includes most vaccines and immunizations covered by Medicare.

Key benefits of the contract include:

- No geographic limitations on deliveries throughout the State
- Ability to submit orders via email, phone or fax methods
- Ability to make purchases using the State Purchasing Card (P-Card)
- Deeply discounted pricing on several vaccines from over 10 manufacturers
- Dedicated Account Management and Customer Service Team
