RE: e-Verify Contractor Affidavit

Dear Mr. Johnson,

This letter is being submitted in response to the e-Verify Contractor Affidavit requirement included in the State of Georgia Furniture Contract renewal #5 package for the period of 2/3/2021 to 2/2/2022. Based upon our review of the e-Verify Program, Allseating Corporation is not required to participate in the program. Our position is established based on the following:

1. Allseating Corporation is a Canadian manufacturer;
2. Allseating does not employ any U.S. Talent directly. Allseating has no U.S. or foreign citizens working directly for the company that are based in the United States;
3. Allseating is marketed by Independent Representatives. The representatives are part of independently owned and operated businesses that work with Allseating on a contractual basis. Allseating is not involved in the day to day management of these companies and we are not involved in their hiring processes;
4. Allseating is also marketed by Independent Contractors who are not direct employees of the company; and
5. The servicing dealers utilized by Allseating are independently run businesses that establish business practices independent of any input from Allseating. Participation in the e-Verify Program would be voluntary for the servicing dealers.

Based on these facts and through conversations with representatives from the e-Verify program, Allseating is not required to participate in e-Verify program and should not sign the Contractor Affidavit.

Should the State of Georgia take a different position on this matter we would appreciate the opportunity to discuss this without our contract renewal being in jeopardy. Please feel free to contact me directly on this matter. I can be reached on (616) 368-2166.

Sincerely,

Keeley Boeve
