Purpose

The purpose of this Statewide Contract is to:

Comply with O.C.G.A. 50-5-60.3 which states “All state agencies, departments, and authorities shall replace original truck tires of over 16 inch rim size used on nonsteering axles with retreaded tires”.

Key Benefits

The Tire Retreading and Repair Services Contract provides the following benefits:

- On Average, retread tires are one-fourth (1/4) the cost of new tires
- Discounts on non market basket products are up to 62%
- Accepts P-Card
- Multiple vendor awards provide complete coverage throughout the entire State
- Both vendors are approved by the Federal Government for their industry leading retread technology
- Both vendors provide on-site training on proper safety and maintenance
